FEEL LIKE SOMETHING GOOD IS ABOUT TO HAPPEN!

April 18, 2020

It was supper time, two-year-old Jaxsen loves his peas! He was shoveling them down. Not so much the ham or the potatoes. But loved those peas. When I sat a little glass of cranberry-pineapple juice on his highchair tray he said "Num!" (his way of saying, "Yum!") Next thing I knew he was shoveling peas into the juice. I think all of us at the table said, "Ohhh gross!" But a bit later he drank the mixture right down. And picked the cranberry soaked peas out one-by-one and ate them saying, "Num, num!" So, either Jax has invented a new drink, "Cranberry-Pineapple-Pea" juice; or a new delicacy, "Cranberry-Pineapple soaked peas." And here we just thought he was making a mess! On the night when Jesus washed His disciple's feet He said to Peter, "You do not realize now what I am doing, but later you will understand." (John 13:7) I am coming to fully believe that

in these quarantine days! We may not be able to understand what in the world is going on? Why is God allowing this? But I believe in the days ahead it is going to become increasingly clear the God is up to something big here... now! So, I'm just gonna read His Word, pray intently, drink my cranberry-pineapple-pea juice and watch! As that Gaither chorus goes, "I just feel like something good is about to happen...."
