Dear Friends,

Today is a nostalgic day as it would have been our 61st wedding anniversary. Many memories come alive and many praises to our Heavenly Father for the decades of service He allowed us to have. Many of those years we spent at BBC and my heartfelt thanks goes out to you for the care and concern you have shown over the years - and for your continued support as a retired missionary. I am still meeting former "YFCers" from back in the early 60's whose lives were impacted through the ministry to which God called us. How thrilling it is to hear their testimonies of how God worked in their lives, and even in our traveling ministry. As I said, today is nostalgic.

My continued thanks comes to you with a heart full of gratitude and praise for God's faithfulness and also for yours for your monthly support. "It is of the Lord's mercies that we are not consumed because His compassions fail not. They are new every morning: Great is Thy faithfulness." (Lam.3:22,23)

Rejoicing in Him,

Bonnie Harris
