The Outline of a Quiet Time

I believe that a quiet time (a devotional time) is vital to a growing relationship with God. Here is a brief outline to follow. Turn off any noise so you may hear from God (phones, tv, computer, etc.).

Pray – Open with a brief prayer. Psalm 139:23-24 (NIV) says, **"**Search me, O God, and know my heart; test me and know my anxious thoughts. See if there is any offensive way in me, and lead me in the way everlasting." Recognize you are coming into the presence of God with a right heart.

Read – Let God speak to you through His word. Start at the beginning of a book, read a section, a paragraph, or a chapter but read it so God may speak to you. If you read 1 chapter a day, you can read through the Bible in 3 years!

Reflect and Apply - Think about what you have read. Don't just shut the Bible and say I am done! Think about what you have read and how it applies to your life. Most learning is forgotten if it is not applied. If the scripture is on forgiveness, ask who do I need to forgive? If the scripture is on serving, ask where can I serve?

The above 3 steps can be accomplished in 10 minutes or so and can impact your day and your life. Start today.

By His Grace,
Pastor Randy Hatcher
