THE 8TH COMMANDMENT
Exodus 20:15
Part 3

Theft and plunder, systematically organized, have ever been principal employments of the nomad tribes of the East since Ishmael the Bedouin became a "wild donkey of a man" and a robber by trade (Gen 16:12), and robbery has been considered in the highest degree creditable. In the singular history of Abimelech we are told that "the men of Shechem set men in ambush against him on the tops of the mountains, and they robbed all who might pass by them along the road" (Judg 9:25). Job suffered serious loss from a predatory incursion of the Chaldeans (Job 1:17), as did the people of Keilah, a lowland Judean town, from the Philistines (1 Sam 23:1). In NT times, civilization and Roman power had done much to subdue these predatory hordes; but even then we learn from the parable of the good Samaritan what was to be expected by travelers; and the road from Jerusalem to Jericho was as dangerous a few years ago as in the time of our Lord. Paul mentions "dangers from robbers" (2 Cor 11:26), and it would appear that he was especially subject to dangers of this kind while passing through Pisidia.

Christianity confronts the problem head on. Paul writes to the Church at Epheses where there obviously has been a problem with stealing. ***He who has been stealing must steal no longer, but must work, doing something useful with his own hands, that he may have something to share with those in need***. (Eph. 4:28)

2012 REGIONAL ASSEMBLY

October 19-20

Hutchinson Ramada Conference Center

Be the Hope

Author and church historian Diana Butler Bass will keynote our 2012 Regional Assembly in Hutchinson. The planning committee is excited to have confirmed such an outstanding nationally known speaker.

Her book *Christianity For the Rest of Us* will be the basis of her keynote presentations for the Assembly. The theme *Be the Hope* arises from the ten signposts of renewal outlined in this book. The planning committee has been studying this book and commends it to the churches. We recommend that book groups, elders, Sunday school classes and other groups read the book together before coming to Assembly, in order to prepare the ground for an excellent and fruitful experience for each participant.

Park Place Christian Church and First Christian Church in Hutchinson will co-host the Assembly. Many members of these congregations will do the background work of preparing to welcome you to Hutchinson.

Information about meals, youth programs, workshops, lodging, and more is in your church office and at www.kansasdisciples.org.

Please mark your calendars now for October 19-20 and join your friends at the Ramada Conference Center in Hutchinson!

"FILLING THE GAP LUNCHES FOR KIDS"

Let's join together to serve lunch for hungry children & youth at the end of summer vacation. Partners for Wichita invites individuals, congregations, and helping organizations to join with us & KS Food Bank for good nutrition & good times for 2 weeks for children at risk of hunger. Monday, July 30 through Friday, August 10 for 10 weekdays after the USD 259 Summer Meals program & before school starts at about 10 locations. How to help? Volunteer at lunchtime at a center, make a donation to help cover the cost of the meals: $2.40 will cover one box lunch and milk; $24 will cover the entire 10 days for a child. $100 feeds 42 children a meal. We are planning on 400 or more children each day. You can donate by making a check out to Hillside Christian Church, and put "Filling the Gap" in the memo section. Discovery Place Preschool & VBS will be participating, too. *Hillside Christian Church Outreach Ministry*

Executive Council in Library @ 7:30 PM

Quoted by a member of Hillside Christian Church . . .

"I know for certain that tithing really works. This month when I sent the last check for our 10% tithe, the next day I received my Federal Tax Return - which was more than I expected!"

Wed. Bible Study 6:30-7:30pm
Sun. Youth Groups 5:15-7:30pm

Wednesday, July 4th we will be celebrating Independence day with a pool and fireworks party. We will meet at the Claassen's House (7045 E 35th Cir N) at 6 PM, for swimming and pizza. We will shoot off fireworks (with adult supervision) when it gets dark. Youth should bring swimwear and their own fireworks. Youth have many opportunities for service projects and fundraisers. We have some daily tasks around the church where youth can volunteer for community service. There are many opportunities for youth to volunteer at VBS week of July 16-20. We need youth to help lead the Rec Team, and volunteer at other stations as well. We also have an opening for youth to earn some last minute money towards their mission trip. We are looking for 1 or 2 more youth to help serve meals at VBS. Contact Josh for more info.

Youth Fundraising: Due to bad weather we were forced to cancel the Youth Car Wash in May. That has put us behind our goal of fundraising 75% of this year's mission trip. If anyone would like to make a donation to the youth mission trip's general fund it would be greatly appreciated. Also, if you have small jobs that you would be willing to pay one or two youth to come do, please contact Josh in the office ASAP! Youth Mission Trip will be to Canton, Ohio from July 22-29. Please pray for us this week! Something new we are offering is posting pictures and updates from the youth. Follow us on the Hillside Facebook page.

MAKE SURE TO CHECK THE YOUTH CALENDAR FOR SUMMER EVENTS & TIMES!

Did you know that Hillside Christian Church volunteers on the third Monday of every month at the Lord's Diner? In order to volunteer you need to have a food handlers permit which can be obtained by attending a class at the Health Department. The class is free and is two hours long. The permit is good for four years. You may volunteer whenever it is convenient, you do not have to make a monthly commitment. If you are interested in being a part of this outreach ministry or have questions, call Linda Hannon at 686-8308.

HILLSIDE CHRISTIAN CHURCH MEMBER SURVEY

The church would like to know how we can better serve each of you. To this end, we have developed a member survey. We would like all members to fill out the survey and put them in the drop box. Surveys are available at the Visitor Information Booth in the Narthex and the drop box is there also. There is also a drop box at the entrance to the patio - or ask Bob Winn.

Remember, this survey is intended so we can better serve all our members. Member Ministry

PATHWAYS PARENTS & KIDS

July is a big month for Pathways Kids. VBS will take place July 16th through the 20th. SONRISE National Park VBS promises to be a wonderful learning experience for the kids who attend and the adults who participate. Love, laughter, and learning about the Lord really rock the church during VBS! Josh and the Youth are leading Recreation, so you know the place is going to rock!

There is an optional meal available each evening at 5:15 PM. The cost for each meal is $5 for adults and $3.50 for children. Meals will be obtained from several different restaurants, and will consist of healthy, kid-friendly menus. The menu will be available by July 1st, but you can expect about the same fare we served last year. You may pay when you register or at the registration desk on Monday. We must have the meal count by July 8th so we can purchase supplies and food. VBS activities will begin at 6 PM in the Sanctuary each evening, and will end in the Sanctuary at 8 PM.

On Friday night, we welcome the whole family for an evening of festivities with the kids. The evening will begin with musical offerings from the kids, directed by Connie Shawver. Karen Carpenter Mann, Director, will offer remarks and we will take a love offering which will be sent to Filling the Gap, the kid's mission for VBS 2012. After this short closing ceremony, we will adjourn to wet & wild activities outside and a dessert bar in Fellowship Hall. Families may arrange for the entire family to eat together on Friday. Just indicate the extra meals for Friday evening only on your registration blank (enclosed in this mailed newsletter, or you may pick one up in the office, or at the Pathways table in the North Hall.) Please fill out the form as soon as possible so we can get a head start on numbers for ordering food and supplies. Invite friends and relatives because there will be a prize for the child who brings the most guests.

There are still plenty of opportunities to help. Contact Karen Mann, Wykeemah Chumley, or Rev. Debbie if you are willing to help with the activities or in the kitchen. If you bake, we'd love to have cookies for our dessert bar on Friday. In fact, we'd be happy to have whatever you would be willing to bake. Just deliver to the church office.

Rev. Debbie, & Wykeemah

✧ I want to thank you for the food from the food pantry. It has been very helpful. Your church is kind and thoughtful to be so helpful to others in need. Virginia Wells is wonderful to help me out in this situation. I hope someday I can be so helpful. Karen Boyd

✧ Thank you very much for the family lunch following our father's funeral. The sharing of the meal by our family was a special moment for our mother. Mike Hall & Carol Porter

✧ Thank you so much for your continuing support of Sis, Ruth Ann Hall. We were so pleased to hear that church members will pick up and accompany her to church. This will certainly help her adjust to this new phase of her life. Bot Hill

✧ I still can't believe that I won, but then I look in our guest bedroom and there it is. My sincere thanks to everyone who helped in making this beautiful quilt. I'll always treasure it, and think about all the Hillside women who worked together to complete this project. Blessing to you all, Bonnie Thompson

✧ Thanks to the skilled hands of our amazing Hillside Quilters and their generous hearts, as well as the generous hearts of our Hillside Family, the Outreach Ministry realized $620.00 to utilize in caring for those in need. A big thank you to all in the office and to all on our Outreach Ministry who gave so willingly of their time to make the opportunity available for some fortunate person to acquire this beautiful quilt. Due to our proceeds, we were recently able to purchase bicycles for three children in a family who had lost everything in the recent tornado. These bicycles were purchased for a total of $55.00 from a selection of 78 bicycles at the Disciples Life/Seekers Garage Sale, who in turn, use their money for mission projects. A big thank you to Jim and Phyl Ramsey who restored and donated these bikes to the Garage Sale. We are so grateful for our loving and caring congregation who makes all of these things possible. Thank you! Thank you! Outreach Ministry

✧ Thank you to those who made the effort to attend my Watermark Book signing event. I really appreciated your presence. Even though we live in Texas now, our hearts still live in Kansas. Blessings to all Tom Shane

✧ Thank you for your participation in the capital campaign which benefitted Disciples Center at Tawakoni and Phillips Theological Seminary. An architectural landscape firm has designed and installed our beautiful cross-shaped Recognition Plaza where not only are the RUL campaign donors named, but also other gifts which benefit the camp and its ministries as well.

✧ I wish to extend my personal thanks to you on behalf of the Wichita - Robert J Dole VAMC patients and staff for your recent donation. The commitment you have shown to our patients demonstrates your concern for America's heroes. Bill Adkins, Chief Voluntary Service

✧ A big thanks to Bill Reeves for putting in the electrical source for the new handicap door which will be installed on the South side across from the Parlor.

"First, I need to thank this congregation for your support of our Men's Chorus on Mother's Day and the Ladies Chorus on F ather's Day!!! What an awesome congregation to join the choir for the day and have that experience for all to enjoy in the worship service. We filled the choir loft on both days with many new people just for that day. Of course, I would LOVE to have you join the choir on a regular basis, so, please keep that in mind when we kick off for the new year in August. As I said in worship, my life is so blessed by this congregation and staff. We are very blessed to have each other for spiritual support. Thank you for allowing me the opportunity to lead in worship of music! Second, please continue to enjoy the Chancel Choir's selections through the summer that they have voted on as their favorites of the past year. I'm sure many of you will remember most of these incredible anthems." Mark Walker, Director of Music
