

November

Dear Families,

Welcome to November! October was a very fun month with picture day, the pumpkin patch, and the harvest festival. We have a new teacher in our Gentle Giraffe classroom, Ms. Yahaira. She is a blessing to our school, please feel free to introduce yourselves. We will be starting a new app HIMAMA! It's a wonderful app that allows both teachers and parents to communicate with each other!

November is a time to be thankful so let us show our teachers thanks for all they do and write shout outs for them on yelp. With each shout out the teachers will get a Starbucks card. To celebrate all cultures, we will have a cultural day, where children can dress up and bring something from their heritage. In light of the Thanksgiving Spirit we will be having Thanksgiving Feast.
