

**Dear Families,**

We are off to a great start and are ready for a momentous year! The children are adjusting wonderfully and are loving their classrooms and making new friends. We have a lot of exciting things for them to learn this year! We are happy to be welcoming a new teacher to our already amazing team here at AIL. Ms. Dianne Starr will be our new two-year-old teacher in the Panda Room. She comes to us with years of experience in the early childhood education field and ECE Units. We are really blessed to have her join our team. When you see her, please feel free to introduce yourselves. Ms. Pilar will be joining Ms. Anna in the Koala Room, so please give her a warm welcoming to her new classroom. As always, we will strive to provide quality care to you and your children.
