Crossways Life Coaching

Guidance Into Authentic, Intentional Living

Definition

- Growth into the image and character of Jesus through the work of the Holy Spirit as I yield myself to Him.

“He must increase and I must decrease.”

John 3:30

Goal

- Why do people come to a coach? They want something more, different, more authentic than they've had.
- To help people to become more self aware of God's work within and around them.

Guidance Into Authentic, Intentional Living

How This Is Done

- Expose client to a range of broad, deep and wide ways we can experience God.
- Expanding horizons of what practices are okay in worship.
- Embracing abundance mentality with regard to denominationalism.
- Client to be stretched in their practice of spirituality.

Outcomes

- If self satisfaction is the client's primary goal, this is an issue.
- Learning to embrace God's purpose and plan for life will mean discomfort.
- Learning and practicing new spiritual disciplines both inward and outward.
