takes place. The group members encourage one another to apply the principles learned. Together, the group works through the seven Baby Steps needed to walk in financial peace. The objective of the small group is not to pry into everyone's business; it is simply to walk together as each family learns and applies the principles.

The program has a proven track record of success and is a must for families in our church and folks we know in the community. Attendance is limited for this Money Makeover program so claim your financial blessing opportunity and reserve your seat today!
