

BETH HERCULES

Beth's life has been centered on service to God's Kingdom manifested in education, worship, and leadership. Having been active for decades as a servant leader in Children's, Teen, and Adult ministry within small to emerging mega-churches, her reputation has grown as a catalyst, visionary, and true lover of people. In addition to church related ministry, she has been very active in regional philanthropic endeavors, most recently with Florida Children's Hospital. In 2008 she was selected by Florida Hospital system leadership to chair the system's centennial, representing a philanthropic society of 50 community leaders as ambassadors for the hospital system, culminating in a black-tie gala hosting 2,500 people and grossing more than \$1 million. She and her husband Bill have five children and two grand-children and currently serve with Journey Christian Church in Apopka FL. *"Let your light so shine before men, that they may see your good works and glorify your Father in heaven."* Matthew 5:16
