

A place to belong & believe Experience God in Community Groups

Community groups are critical to the life of ABC. These communities are designed to encourage, challenge, and equip us to take hold of the life that Jesus offers now. We believe they are the best place to develop authentic, real relationships and experience transforming change in our lives.

We receive ministry and support from our fellow group members, and our groups ensure that no one stands alone, struggles alone, serves alone, seeks alone, or grows up alone.

When we get together in our Community Groups: we enjoy friendship, we look at our lives in light of Scripture, we pray for and encourage each other, and just hang out and have fun. Groups also focus on bringing hope by serving together in the community.

New Community Groups start twice a year, typically in September and January.

Welcome to ABC

Alliance Bible Church is a community of people committed to Jesus and HIS mission to remake and restore relationships between GOD, self, others, and our world.

We are spreading the good news - your life can be filled with joy when you connect or reconnect with God.

This church exists to help you make that connection. Such a connection transforms us; our lives change as we begin to experience and reflect God's love and grace.

Are you interested in your life changing? Then come and enjoy the life and ministries of ABC. At ABC you'll find that *Jesus* is our single Treasure and Source. He is the one we celebrate and hold forth. In *Him* your life can change in profound ways.

Henry Bernshausen (MS & HS Students)

We need our minds to be renewed and that comes through biblical wisdom. ABC offers Bible classes for all ages each Sunday before the worship service. **Adults** are working their way through the New Testament. **Young Adults** are tackling themes that help them form and apply a biblical worldview. Middle school & high school **Students** are learning to love the Word and apply it to their lives.

>>Women on Wednesday at 10:30am

Contact Mary Snellings

>>Men on Wednesday at 7:00pm

Contact Jeremy Duncan

We are committed to growing our friendship with God and each other by studying God's Word together, using resources by today's best Christian teachers. We enjoy going on retreats, going fishing, or just hanging out at the corner Starbucks. It's about creating genuine spiritual friendships that last.

Community Groups Bringing HOPE into the community through service with compassion

>>Usually Sunday and Monday nights

Contact Pastor Dave

Our community groups are going beyond fellowship with one other. We are intentionally LEAVING some Christian activities

behind to spend time building and investing in relationships with sojourners. We're participating in ordinary activities of our culture such as parties, concerts, and sporting

events to live among sojourners, and LOVE without any strings attached. Since Jesus was accused of being a "friend of sinners" we'd like to be charged likewise.

Outward Ministry Being missional where we live, work, and play

Contact Pastor Dave

We want to do more than talk about God at ABC "actions really can speak louder than words." Our faith is proven real as we devote our hearts, talents, and passions

to living missional lives. Relationships will be built, lives will be changed, and ABC will make a difference for God in Baytown and beyond. Experience this first hand through:

Volunteering with Baytown Ministries

There are many opportunities to volunteer including Pregnancy Resource Center East, Love, Inc., Bay Area Homeless Shelter, and Habitat for Humanity Baytown.

Going on Mission Trips

Short-term trips that allow the whole family to experience international missions. Teams of ABC members who meet real needs while sharing God's love.

Connecting with the C&MA

ABC is a member of The Christian and Missionary Alliance. The Alliance has more than 800 U.S. missionaries serving around the world among unreached peoples. The C&MA offers market-place ministries, relief work, medical clinics, theological training, and church planting.

Kids@ABC

Equipping children with God's Word

>>Sunday 9:15am - Sunday School

>>Sunday 11:00am - Children's Church

Contact Sandy Allen (SS); Shaunna Bernshausen (CC)

ABC children's ministry is designed to teach basic truths of the Bible, lead children to know Jesus in a personal relationship, and help them grow in that relationship. On Sunday mornings, children (4 years through 5th grade) start the day at 9:15am in Sunday School (Grace House) where they learn to "Be Light" through studying

missions. At 10:15 am, children join their parents in the worship center and then after a few songs, they are dismissed for their own church (back to Grace House). Bible-instruction, children's worship, and creative, age-specific lessons are given by experienced, dedicated, and caring teachers.

Students@ABC God's Love--Our Life. God's Mission--Our Purpose.

>>Usually Sunday and Wednesday nights

Contact Pastor Henry

Our heart as a student ministry is to experience the grace and love of God through Jesus Christ. We do this through rich, relevant, biblical teaching, creative and meaningful worship, and simply being together.

Our teenagers desire that others would experience the love of Jesus, and we encourage them to allow what Jesus is doing in them to naturally overflow into their homes, their schools, and their friends.

We also share Christ through monthly service projects, international mission trips, serving within the church, and creating an environment where everyone feels welcome.
