Parish

Survey

Parlor   
Prayer  
Group

Due to the changes in the composition of our Parish it was decided to do another parish survey. This survey is a vital step in the search for a new rector. The results should reflect who we are as a church, congregation and as individuals while at the same time reflect the theology, values, goals and qualities we seek in a rector. This is an anonymous survey that will be conducted through Survey Monkey. If the Parish Office has your email you will be receiving an email inviting you to take the 10 question survey (don't worry, these emails are not associated with the results).

If you have not shared your email with the Parish Office and would like to take the survey online please send an email to [allsaintsalaska15@gmail.com](mailto:allsaintsalaska15@gmail.com) and a link will be sent to your email address.

If you do not have a computer or are not comfortable with taking the survey online, we will have printed copies that can be mailed to your address of record. We will also have blank copies of the survey at church on Sundays, August 16<sup>th</sup>, 23<sup>rd</sup> and 30<sup>th</sup>. We will keep the survey open until August 31<sup>st</sup>. If you have any questions please let us know.
