

## General Guidelines

- Please label all diaper bags and personal belongings with child's name.
- Please keep all personal toys at home.
- Please provide a change of clothing in a labeled bag for any child undergoing toilet training.
- Only registered children will be allowed in children's areas.

Service Alternatives:

### Infant Nap and Nursing Room

Many parents choose to keep their infant in the service with them. Room 104 by the Kingdom Kids entrance is equipped with a rocking chair, quiet toys, and audio of the worship service for mothers of nursing babies or sleeping infants who need a quiet place. Well children only please.

The purpose of the enclosed policies and procedures are to promote unity and understanding between the parents and

Little Kingdom volunteers at

**Ambassador Presbyterian Church.**

For more information on our Little Kingdom or to Volunteer in our Infant, Toddler, or Preschool environments,

*Welcome to*

*Little  
Kingdom*

*The Children's Ministry of  
Ambassador  
Presbyterian Church  
for Infants, Toddlers and  
Preschoolers*

“Behold, children are a heritage from the Lord,  
the fruit of the womb a reward.” - Psalm 127:3

“Jesus said, “Let the little children come to me.”  
- Mark 10:14

“From infancy you have known the holy  
scriptures . . . Which are able to make you wise  
for salvation through faith in Christ Jesus. ”  
- 2 Timothy 3:15-16

At Ambassador Presbyterian Church, we see your child as a special gift from God. We consider it a great joy to watch your child grow not only physically, mentally and developmentally, but also spiritually. We recognize that in even just the few hours on Sunday that your child spends with us we have an amazing opportunity to share God’s love with them through our actions and words.

**Thank you for giving us the privilege to love, teach, and care for your little one.**

*Little Kingdom* is available during both Foundations classes and the Worship service. A volunteer is available 15 minutes prior to the start of Foundations (8:45 a.m.) and until after the Worship service. We ask that you pick your children up promptly after the Worship service.

## Security

Please check your children in at the *Little Kingdom* registration desk. Your information will be entered into our secure database.

*Little Kingdom* uses an ID badge system that prevents anyone other than the parent or parent designee from picking up a child. When you check in, both you and your child will receive matching ID security numbers. Simply return the security number to the volunteer in order to pick up your child.

*Little Kingdom* also uses your cell phone as a paging system. We recognize that some mornings your child may need you during the service. We will page you if your child has difficulty settling in or cannot be consoled. Please keep your cell phone on ‘vibrate’ and readily available during the service. The number **919-249-0230** will show up if you are needed. Please come to the nursery area promptly if notified.

To provide a safe environment for both children and volunteers, we strive to keep a ratio of 1:3 volunteers to child with our infants and toddlers, and a 1:5 ratio with our preschoolers. There are always two adults scheduled in each area.

## Snacks

Cheerios or Animal Crackers are offered to children with parental permission.

Bottles will be given as needed per parent’s instruction.

## HEALTH & SAFETY POLICIES

In order to insure the health and safety of our children and workers, please refrain from bringing your child to *Little Kingdom* if he or she has had any of the following symptoms within the past 24 hours:

- DIAHHRREA
- VOMITING
- FEVER
- RASH
- RUNNY NOSE (anything but clear)

If your child develops a fever or other symptoms of illness, you may be asked to take your child out of the nursery. No medications will be given to any child. Please be sure to notify us of any allergies your child may have when you check in.

We strive to keep our rooms as healthy and safe as possible. We use rubber gloves for diaper changes, sanitize all toys weekly, use an infant/parent security badge as well as a phone paging system.
