Amelia Island

Big-resort perks with plenty of small-town charm

Bond over bonfires With 1,350 acres and a 3.5-mile beach, Omni Amelia Island Plantation Resort is made for groups. The property completed an $85-million renovation in 2013.

Way to relax The Ritz-Carlton Spa, Amelia Island ups the ante on pampering with an adults-only pool and creative treatments like the 'Heaven in a Hammock' massage.

In 2014, Amelia Island earned a spot on *USA Today*'s list of "Best U.S. Islands." But the destination, known for its Appalachian-quartz beaches on Florida's northeastern tip, is more than just sun and sand — Amelia Island is also an unspoiled paradise dotted with some of the best meeting hotels in the state. Since the island measures just 26 square miles, everything is close and convenient for groups, making logistics simple for busy meeting planners.

Amelia Island's combined 135,000 square feet of meeting and conference space is spread amongst the destination's group-friendly hotels, such as the 404-room Omni Amelia Island Plantation Resort, with 80,000 square feet of meeting space, the 446-room Ritz-Carlton, Amelia Island, with 48,000 square feet of function space, and the 90-plus room Summer Beach Resort, with 2,200 square feet of meeting space. In total, Amelia Island's more than 20 accommodations offer 2,500-plus guest rooms. A handful of historic bed-and-breakfast inns and 70-plus restaurants provide even more area options for smaller functions and gatherings.

A golfer's paradise, with 117 holes designed by everyone from Pete Dye to Tom Fazio to Arnold Palmer, Amelia Island's courses have been recognized by *Golf Digest* and *Conde Nast Traveler*, and even provided the setting for the Golf Channel's reality series, "Big Break Florida." Nature enthusiasts also have plenty to explore, as park preserves make up nearly 10 percent of the island. Groups can kayak through Egan's Creek, try a paddleboard yoga class, or charter a boat for deep-sea fishing.

Amelia Island's rich history creates plenty of sightseeing opportunities. Popular options include exploring the centuries-old Kingsley Plantation, taking a walking tour of the Fernandina Beach Historic District, or checking out Fort Clinch State Park, one of the most well preserved 19th-century forts in the country.

Planners can use Amelia Island CVB's online planning tools, including an RFP builder, to help plan their meeting or event in Amelia Island. The CVB's Flights for Sites program also provides airfare reimbursement for planner site visits that qualify.

WELCOME TO Amelia Island

Amelia Island, located in Northeast Florida, offers visitors an enchanting destination featuring breathtaking natural beauty combined with a unique southern charm, a collection of upscale accommodations and a wide array of exciting outdoor activities. Showcasing 13 miles of uncrowded beaches and pristine Atlantic waters, Amelia Island features luxurious spas, championship golf courses, and delectable dining. The destination's colorful past is recalled daily at intriguing historical sites such as Fort Clinch State Park and the Amelia Island Museum of History. Nature enthusiasts enjoy miles of hiking and biking trails throughout the island, first rate birding opportunities, and the chance to hunt for shells and sharks teeth along the uncrowded beaches. Guests can tour our scenic waterways with river cruises, kayaking and stand-up paddleboard excursions available. Those looking for adventure can enjoy a bird's eye view of Amelia Island while "trike" flying and skydiving. Downtown Fernandina Beach offers a 50-block historic district with many structures dating back to the late 19thcentury, including many Victorian-style mansions. Shoppers will love strolling along quaint Centre Street, featuring a delightful experience that spares the heavy hand of mass commercialization. Make sure to check out our events calendar for upcoming events, such as the Isle of Eight Flags Shrimp Festival (May 1-3), Amelia Island Chamber Music Festival (May), Wild Amelia Nature Festival (May 15-17), Great Southern Tailgate Classic (Aug. 21-22) and more. Forget the everyday getaway; come make memories on Amelia Island! For visitor information and online planning, visit www.ameliaisland.com.

What you need to know to travel:

- Don't forget to check in for your flight(s) 24 hours before your trip on southwest.com or your mobile device. This will secure your boarding position on your flights.
- Southwest Airlines does not have assigned seats, so you can choose your seat when you board the plane. You will be assigned a boarding position based on your checkin time. The earlier you check in, within 24 hours of your flight, the earlier you get to board.
- WiFi, TV, and related services and amenities may vary and are subject to change based on assigned aircraft. Learn more.

Remember to be in the gate area on time and ready to board:

- 30 minutes prior to scheduled departure time: We may begin boarding as early as 30 minutes prior to your flight's scheduled departure time. We encourage all passengers to plan to arrive in the gate area no later than this time.
- 10 minutes prior to scheduled departure time: All passengers must obtain their boarding passes and be in the gate area available for boarding at least 10 minutes prior to your flight's scheduled departure time. If not, Southwest may cancel your reserved space and you will not be eligible for denied boarding compensation.
- If you do not plan to travel on your flight: In accordance with Southwest's No Show Policy, you must notify Southwest at least 10 minutes prior to your flight's scheduled departure If you do not plan to travel on the flight. If not, Southwest will cancel your reservation and all funds will be forfeited.

Air Cost: 731.00

Carryon Items: 1 Bag + small personal item are free. See full details. Checked Items: First and second bags fly free. Weight and size limits apply.

Fare Rule(s): 5262113634998: NONREF/NONTRANSFERABLE/STANDBY REQ UPGRADE TO Y.
Valid only on Southwest Airlines. All travel involving funds from this Confirmation Number must be completed by the expiration date. Unused travel funds may only be applied toward the purchase of future travel for the individual named on the ticket. Any changes to this itinerary may result in a fare increase. Important Information

1. Quote is based on normal installation of the equipment by prescribed means. Installation of tents requires that they be staked into the ground or that we can drill into concrete or asphalt and install anchors. Permission to do so is the responsibility of the Renter and Beachview Event Rentals & Design assumes no liability for delays incurred if such permission is not obtained beforehand.
2. Quote is based on all work being performed during reasonable working hours. Should Lessee require that the work be performed outside of normal and reasonable working hours, overtime charges will apply.
3. Quote is based on reasonably level job site with direct truck access. Final pricing is pending a site visit by a Beachview Event Rentals & Design representative.
4. Quote is based on availability at the time we receive a deposit.
5. Quote is based on using non-union labor.
6. Quote is valid for thirty days from the date of issuance.
7. Renter is responsible for locating and marking all underground utilities or installations prior to installation of a tent. Lessee further assumes full responsibility for all damages caused to unmarked or incorrectly marked utilities or underground installations by the tent.
8. Beachview Event Rentals & Design will fill holes in asphalt by filling the hole with sand to within 4" of the surface and plugging the remainder of the hole with asphalt cold patch or by using an asphalt plug. Concrete anchor holes will be filled using Quickrete or can be capped with a plastic plug for future use depending upon customer's wishes. If staking is not possible, we may be able to secure the tent by other means, at an additional cost.
9. Please note that the county we are delivering to may require a permit to be pulled for installation and use of a tent. Further, that county may dictate that any tent that is to have electrical service of any kind (including generators) must have a separate electrical permit pulled and such work is to be performed by a licensed electrician. Beachview Event Rentals & Designs assumes no liability for failure of Lessee obtaining same.
10. As stated elsewhere in the Terms & Conditions, Renter is responsible for any and all permissions, permits, inspections or other requirements as necessary by property owners or law. See below – invoice for "sleeve" on flags for the depot. Needed so they can hang from the ceiling.

She will be dropping off the flags on Friday and would like to pick up a check then.

DISCONNECTION NOTICE

Account Number: 904-277-7646 001

Dear AT&T Customer:

Our records show that your AT&T account is past due in the amount of $120.00.

Failure to pay the past due charges, plus any current charges that have now become past due, by April 15, 2015 may result in interruption of your AT&T service and any other services associated with your billing telephone number. These services may include, but are not limited to services such as internet, wireless, directory advertising, voicemail, maintenance plans, or entertainment service.

Non-payment of any 900 and some third party service provider charges, included in the past due amount, will not result in interruption of local service, but may result in referral to a collection agency.

If your local telephone service is interrupted for non-payment, a restoration of service charge may apply. If payment is not received your service will be disconnected. If your service is disconnected, new service orders will be required, service installation intervals may apply and additional reconnection charges may be requested.

This may be the only written notification or contact provided. If a payment is dishonored, no further notice may be given before discontinuing service.

You may pay your past due balance with a credit card or automatic withdrawal from your checking or savings account by contacting AT&T at 1-800-924-1743, or online at www.att.com. If you wish to discuss this notice, please contact us at the number above.

We value you as a customer and hope that you can help us avoid this action by making your payment today. If you have already sent in your payment, we thank you and you may disregard this notice.

Sincerely,

AT&T Business Collection Center

ACCOUNT STATUS
Where allowed by law, AT&T may implement late payment interest of no more than 18% annually. Rates will vary based on state regulations. Interest will be calculated based upon daily balances and will be applicable for each day that a delinquent balance is outstanding. This charge will apply to all balances that are delinquent through such time that payment in full is received at AT&T. The late payment interest will be billed on a monthly basis. Accounts billed outside the US will not be charged LPI.

Where allowed by law, AT&T may implement a $25 service fee for restoration of service where delinquency has caused an interruption. This fee will be applicable to each account that is being restored and will be included on your monthly billing statement.

Some products require electronic billing as their official bill media. When electronic billing is the official bill media, an informational statement may be sent containing some of the same information as the electronic bill. The informational statement is not your bill. However, if you choose to mail your payment instead of paying electronically, the informational statement has a tear-off that can be used to submit your payment.

Since we had low RSVPs we decided to cancel the Florida House and caterer and instead we're doing an intimate dinner at restaurant (which I'm still working to finalize). I wanted to confirm that you're still planning to join us? If you need any assistance with your travel arrangements, please let me know. If Jana books something for you, just send me the paperwork for reimbursement. Thanks!

About Trailing Interest

You may see interest on your next statement even if you pay the new balance in full and on time and make no new charges. This is called "trailing interest." Trailing interest is the interest charged when, for example, you didn't pay your previous balance in full. When that happens we charge interest from the first day of the billing period until we receive your payment in full. You can avoid paying interest on purchases by paying your balance in full and on time each month. Please see the "When we charge interest" sub-section in your Cardmember Agreement for details.

ACCOUNT STATUS
Where allowed by law, AT&T may implement late payment interest of no more than 18% annually. Rates will vary based on state regulations. Interest will be calculated based upon daily balances and will be applicable for each day that a delinquent balance is outstanding. This charge will apply to all balances that are delinquent through such time that payment in full is received at AT&T. The late payment interest will be billed on a monthly basis. Accounts billed outside the US will not be charged LPI.

Where allowed by law, AT&T may implement a $25 service fee for restoration of service where delinquency has caused an interruption. This fee will be applicable to each account that is being restored and will be included on your monthly billing statement.

Some products require electronic billing as their official bill media. When electronic billing is the official bill media, an informational statement may be sent containing some of the same information as the electronic bill. The informational statement is not your bill. However, if you choose to mail your payment instead of paying electronically, the informational statement has a tear-off that can be used to submit your payment.

About Trailing Interest

You may see interest on your next statement even if you pay the new balance in full and on time and make no new charges. This is called "trailing interest." Trailing interest is the interest charged when, for example, you didn't pay your previous balance in full. When that happens we charge interest from the first day of the billing period until we receive your payment in full. You can avoid paying interest on purchases by paying your balance in full and on time each month. Please see the "When we charge interest" sub-section in your Cardmember Agreement for details.

Important Information

1. Quote is based on normal installation of the equipment by prescribed means. Installation of tents requires that they be staked into the ground or that we can drill into concrete or asphalt and install anchors. Permission to do so is the responsibility of the Renter and Beachview Event Rentals & Design assumes no liability for delays incurred if such permission is not obtained beforehand.
2. Quote is based on all work being performed during reasonable working hours. Should Lessee require that the work be performed outside of normal and reasonable working hours, overtime charges will apply.
3. Quote is based on reasonably level job site with direct truck access. Final pricing is pending a site visit by a Beachview Event Rentals & Design representative.
4. Quote is based on availability at the time we receive a deposit.
5. Quote is based on using non-union labor.
6. Quote is valid for thirty days from the date of issuance.
7. Renter is responsible for locating and marking all underground utilities or installations prior to installation of a tent. Lessee further assumes full responsibility for all damages caused to unmarked or incorrectly marked utilities or underground installations by the tent.
8. Beachview Event Rentals & Design will fill holes in asphalt by filling the hole with sand to within 4" of the surface and plugging the remainder of the hole with asphalt cold patch or by using an asphalt plug. Concrete anchor holes will be filled using Quickrete or can be capped with a plastic plug for future use depending upon customer's wishes. If staking is not possible, we may be able to secure the tent by other means, at an additional cost.
9. Please note that the county we are delivering to may require a permit to be pulled for installation and use of a tent. Further, that county may dictate that any tent that is to have electrical service of any kind (including generators) must have a separate electrical permit pulled and such work is to be performed by a licensed electrician. Beachview Event Rentals & Designs assumes no liability for failure of Lessee obtaining same.
10. As stated elsewhere in the Terms & Conditions, Renter is responsible for any and all permissions, permits, inspections or other requirements as necessary by property owners or law. Beachview Event Rentals & Design will supply a fire retardant certificate for all tent products as necessary pursuant to obtaining tent, building or electrical permits. Beachview Event Rentals & Design assumes no liability for failure of Renter obtaining same.
11. Renter to provide adequate security for the protection of Beachview Event Rentals & Design equipment at all times from the beginning of installation to the completion and removal from event site.

Rental Contract Terms & Conditions

1. Rentals are payable in advance unless other terms have been established. Renter agrees to pay attorney fees, collection fees, court costs, and any other expenses incurred in collecting any charges under this agreement. 50% deposit is required to reserve rental items. All deposits are non-refundable. Balance is due in full before delivery. Deposits that are received by Beachview Event Rentals & Design will be considered acceptance of terms and conditions.
2. The Renter will be liable for any equipment lost or stolen. Unless the Renter accepts the damage waiver (as specified in paragraph 3) the Renter shall also be responsible for all damages.
3. An optional 8% Damage Waiver will be applied to all items rented through Beachview Event Rentals & Design. Upon agreement and acceptance of the damage waiver, the Renter shall have no responsibility for physical damage to the equipment **except** for the circumstances listed below for which the renter shall be responsible:
   A. Loss or damage due to theft or mysterious disappearance, shortage disclosed upon inventory at time of pick-up or damaged equipment left outdoors that suffers water damage due to rain, sprinkles or dew.
   B. Use of equipment in violation of any of the terms of the rental agreement such as overloading or exceeding the rated capacity of equipment.
   C. Loss or damage caused by infidelity of Renter, his employees or persons to whom the equipment is entrusted.
   D. Renter further agrees that dealer shall be subrogated for any recovery rights that Renter may have for damage to the equipment rented hereunder, in the form of insurance protection for such damage. If Renter has insurance covering such loss or damage, Renter shall exercise all rights available to him under said insurance, take all action necessary to process said claim and Renter further agrees to assign said claim and pay any and all proceeds from such insurance to dealer. Upon request to dealer, Renter shall furnish name of his insurance agent, insurance company and complete information concerning insurance coverage. Dealer's waiver of claims against Renter as herein set forth is contingent upon Renter's prompt making of and submission to dealer of copy of police report.
4. All dishes, glasses, flatware, cooking equipment, etc., should be returned free of debris. If there is food left on these items, Beachview Event Rentals & Design will charge an additional cleaning fee totaling 50% of the rental fee for these items.
5. All cancellations or restrictions made to a contract within 72 hours of delivery or customer pick-up are subject to a restocking fee of 50%.
6. All items on delivery have been checked and counted - **please verify** - and will be again be checked and counted when returned. The customer is responsible for all shortages.
7. Any extension of rental period to a contract **must be made and paid for in advance**.
8. Equipment may be retrieved upon 24 hour notice if Renter is in default of payment or if equipment is being damaged in excess of ordinary wear and tear.
9. Inactive crew time will be assessed at $15.00 per half-hour per man.
10. Beachview Event Rentals & Design assumes no responsibility for damage or injury sustained by the use of our merchandise or equipment while in your care.
11. We are as careful as possible, but due to the nature of our work, Beachview Event Rentals & Design is not responsible to damage to shrubs, trees, underground systems, etc.
12. Please be advised that staples, heavy-duty tape, candle wax and some stains may permanently damage linens. Renter returning damaged linens will be charged rental plus full replacement cost. Lost linens will also be charged rental plus full replacement cost.
13. Unless otherwise specifically arranged, Renter is responsible for any and all permits, permissions or inspections required for installations or use of the tent. Beachview Event Rentals & Design will readily provide a fire retardant certificate upon request.
14. Failure to return rental property or equipment upon expiration of the rental period and failure to pay all amounts due (including cost of damage to property or equipment) are prima facie evidence of intent to defraud, punishable in accordance with Section 812.155, Florida Statutes.

CITY OF FERNANDINA BEACH
SPECIAL EVENT
PERMIT/BANNER
APPLICATION

3 events
mc

INTRODUCTION

A permit application should be received by the City of Fernandina Beach no later than 60 days prior to the actual date of your event and may be submitted as early as 365 days before your event. Any organized activity involving the use of, or having impact upon, public property, public facilities, parks, sidewalks, or street areas, or temporary use of private property in a manner that varies from its current land use, requires a permit. It is our goal to assist event organizers in planning safe and successful events that create a minimal impact in the communities surrounding the event. These instructions will assist you in completing your Special Event Permit Application.

PERMIT PROCESS

The permit application process begins when you submit to the City of Fernandina Beach a completed Special Event Permit Application. Keep in mind that acceptance of your application should in no way be construed as final approval or confirmation of your request. Copies of the application are forwarded and reviewed by all affected City departments and/or public agencies. Throughout the review process you will be notified if your event requires any additional information, permits, licenses, or certificates. During our initial application screening process you will be allowed time to provide us with all pending documents (e.g. certificate of insurance, secondary permits, etc.). We must receive these items before issuing a Special Event Permit. Delays in providing these items often delay our ability to complete our review process and approve your application in a timely manner. Due to the many changing components of an event, in most cases, Special Event Permits are issued only a few days in advance of the event date.

Left clockwise: Hot Shot Bakery's chocolate covered datils; TropiCali Food Truck's Datil Chili Supremo with three local datil sauces in background; There are datil cook-offs in St. Augustine—this was a "fire and ice" entry—carmelized datil sauce over ice-cream topped apple crumble by local Linda Brandt; Shelby picks datils to help her Dad—they're not hot (oils don't release) unless you break the skin or take off the stem.

run out. Not yet. I was down to 2 freezer bags once. This year, all my plants died. Joe saved me."

With datils only being cultivated in this area, there is a higher chance of the crops being destroyed via the pepper weevil or weather problems. Like most farmers, Hill's biggest challenge is Mother Nature. "If it's a wet summer, we have a lot of fungus to fight. If it's dry, I can always add water...I can't take it away," he says.

Hill projects that he should produce between 12,000 and 14,000 pounds of peppers this year. Next year, he plans to increase the number of plants he's raising by 1,200 because interest in the datil pepper continues to rise.

St. Augustine hosts The Datil Pepper Festival every fall where professional chefs and home cooks compete for prizes and accolades. The Conch House hosts The Great Chowder Debate to decide which restaurant's Minorcan Chowder reigns as "best" for the year. Hot Shot Bakery hosts a smaller scale cooking contest annually as well as a chocolate-dipped-datil eating contest. Datil sauces are on Publix' shelves in three states and e-commerce sites ship St. Augustine's darling sauce internationally. Hill's Bite Me Farms also sells peppers to bottling plants in Alabama, Georgia and Tennessee.

If awareness is enough to save a plant from extinction, the datil is safe.

Regional varieties of peppers, tomatoes, meats and grains across the South are diverse and delicious. Rediscover an heirloom flavor and see what masterpiece you can create!

ACCOUNT STATUS
Where allowed by law, AT&T may implement late payment interest of no more than 18% annually. Rates will vary based on state regulations. Interest will be calculated based upon daily balances and will be applicable for each day that a delinquent balance is outstanding. This charge will apply to all balances that are delinquent through such time that payment in full is received at AT&T. The late payment interest will be billed on a monthly basis. Accounts billed outside the US will not be charged LPI.

Where allowed by law, AT&T may implement a $25 service fee for restoration of service where delinquency has caused an interruption. This fee will be applicable to each account that is being restored and will be included on your monthly billing statement.

Some products require electronic billing as their official bill media. When electronic billing is the official bill media, an informational statement may be sent containing some of the same information as the electronic bill. The informational statement is not your bill. However, if you choose to mail your payment instead of paying electronically, the informational statement has a tear-off that can be used to submit your payment.

About Trailing Interest

You may see interest on your next statement even if you pay the new balance in full and on time and make no new charges. This is called "trailing interest." Trailing interest is the interest charged when, for example, you didn't pay your previous balance in full. When that happens we charge interest from the first day of the billing period until we receive your payment in full. You can avoid paying interest on purchases by paying your balance in full and on time each month. Please see the "When we charge interest" sub-section in your Cardmember Agreement for details.

Subject: You've Funded HarryA's SafePay

Hello Amy,

Thank you for your payment of $500.00. The funds have been added to SafePay for HarryA for the job "Excel spreadsheet creation". For your reference, we've included a receipt below.

What's next?

- Your guru will deliver work.
- Approve of the work and we'll transfer the SafePay funds to HarryA's cash account. If you are NOT completely satisfied with the work, do not approve it. Instead, ask HarryA to make the necessary changes or dispute their invoice
- Let everyone know how it went! Leave feedback.

For Your Security
Because this is the first time you've used credit card 1036 with us, we've charged a slightly lower amount than stated below. If needed, out Risk Management team may contact you to ask for those two amounts. We do this to verify ownership of the card for your protection.

ACCOUNT STATUS
Where allowed by law, AT&T may implement late payment interest of no more than 18% annually. Rates will vary based on state regulations. Interest will be calculated based upon daily balances and will be applicable for each day that a delinquent balance is outstanding. This charge will apply to all balances that are delinquent through such time that payment in full is received at AT&T. The late payment interest will be billed on a monthly basis. Accounts billed outside the US will not be charged LPI.

Where allowed by law, AT&T may implement a $25 service fee for restoration of service where delinquency has caused an interruption. This fee will be applicable to each account that is being restored and will be included on your monthly billing statement.

Some products require electronic billing as their official bill media. When electronic billing is the official bill media, an informational statement may be sent containing some of the same information as the electronic bill. The informational statement is not your bill. However, if you choose to mail your payment instead of paying electronically, the informational statement has a tear-off that can be used to submit your payment.

Good morning Gil,

I hope that you are doing well and that you had a great weekend! Megan Entriken has a client that is attending our FAM trip this weekend that has a program that we are under consideration for February 22 – 27, 2016 for a total of 584 room nights that we would like to extend "Flights for Sites" to. The RFP is attached for your review and records. The client also has two other programs that she is also considering us for.

Please let me know if you have any questions and if you require any additional information at this time.

Thanks so much!

Caroline

Hi Jeanne –

HAPPY September! Time to put together a Nation-Wide search for August.... Because I officially have no idea where it went!

Curtesy of my great friend Aleshia in accounting (who is tied with you for being the best), the requested 3 forms have been completed. If you could possibly return this completed credit card authorization form by next week or sooner that would truly help us a ton.

Thank you again for ALL Jeanne! Enjoy your day!

Good morning (again), Jeanne!

So – GREAT news!

1. I spoke with accounting and they want to know what address they should send your $400.00 check too?

2. They also mentioned that they hadn't received the credit card authorization form for the initial deposit.

SO.... If you could provide me with the mailing address and completed credit card authorization form (for the deposits) we will be in GREAT shape!

Thank you for all Jeanne!

Brien

AMI Southwest In-Flight Magazine Ad Estimate For Review

Hi Amy,

Attached for your review/approval is the estimate to revise and resize an existing ad from the Southern Elegance campaign evolution for the Southwest In-Flight Magazine's September issue.

We recommend catering the messaging of one of the southern elegance campaign ads to speak directly to this specific audience where we have their captured attention on a flight. The more we are able to cater messaging to specific target audiences the more effective we feel the ad would be. The team will review the ads from the campaign and make a recommendation on which one to use based on the target audience and ad concept.

The estimate attached includes time for copywriting and creative direction in addition to the standard art direction time. If you have any questions, please don't hesitate to let me know. I'd be glad to assist.

Thank you,
Kristen

What you need to know to travel:

- Don't forget to check in for your flight(s) 24 hours before your trip on southwest.com or your mobile device. This will secure your boarding position on your flights.
- Southwest Airlines does not have assigned seats, so you can choose your seat when you board the plane. You will be assigned a boarding position based on your checkin time. The earlier you check in, within 24 hours of your flight, the earlier you get to board.

Remember to be in the gate area on time and ready to board:

- 30 minutes prior to scheduled departure time: We may begin boarding as early as 30 minutes prior to your flight's scheduled departure time. We encourage all passengers to plan to arrive in the gate area no later than this time.
- 10 minutes prior to scheduled departure time: All passengers must obtain their boarding passes and be in the gate area available for boarding at least 10 minutes prior to your flight's scheduled departure time. If not, Southwest may cancel your reserved space and you will not be eligible for denied boarding compensation.
- If you do not plan to travel on your flight: In accordance with Southwest's No Show Policy, you must notify Southwest at least 10 minutes prior to your flight's scheduled departure if you do not plan to travel on the flight. If not, Southwest will cancel your reservation and all funds will be forfeited.

Air Cost: 574.70

Carryon Items: 1 Bag + small personal item are free. See full details. Checked Items: First and second bags fly free. Weight and size limits apply.

Fare Rule(s): 5262448730688: NONREF/NONTRANSFERABLE/STANDBY REQ UPGRADE TO Y.
Valid only on Southwest Airlines. All travel involving funds from this Confirmation Number must be completed by the expiration date. Unused travel funds may only be applied toward the purchase of future travel for the individual named on the ticket. Any changes to this itinerary may result in a fare increase. ing each other before the wedding), but nontraditional venues might not have dressing rooms.

Elizabeth Webb, wedding planner and co-owner of Hall & Webb Event Design, suggests renting a hotel room and coordinating transportation to the event. Setting up a "dressing tent" outdoors might work—but there are downsides. "In the summer, temperatures can be over 90 degrees, and it won't be comfortable to be doing hair and makeup outdoors," Webb explains.

WHERE WILL GUESTS PARK?

Particularly for a wedding at a private home, parking can be a significant challenge. Even if street parking is an option (check local ordinances and HOA regulations), guests could end up walking a great distance from their cars to the venue.

Hiring a valet is one solution. Webb suggests operating a shuttle service that picks guests up at their hotels and transports them to the venue at prearranged times. Remember, guests might not appreciate having to wait for a shuttle at the end of the night.

> It's possible to hire an electrician to evaluate whether the venue can accommodate wedding-night wattage.

WILL VENDORS REQUIRE ADDITIONAL POWER?

Catering, lighting, music ... it takes a lot of power to host a wedding. Some vendors will have specific electrical requirements (often bands have details about their power needs in their riders), but all will need to draw power. "The last thing you want is to be tripping the power breakers all night," says Webb.

It's possible to hire an electrician to evaluate whether the venue can accommodate wedding-night wattage. Renting generators ensures there is ample power for the event.

DO YOU NEED PERMITS?

To keep the police or fire marshal from making a surprise wedding-night appearance, researching city, county, and state laws and permit requirements relating to everything from noise to alcohol must be on the top of the to-do list for weddings at

for the abuse, ostracized them, and told them to "pray, stay, obey," she says.

Over the next decade, she began running shelters for abused women, working on domestic violence legislation, conducting research at the National Center for PTSD, training others in the field, and speaking around the country. But to reach more people, she needed to move to the mainland. Her parents had moved back to Charlotteafterherfatherretiredinthemid-1990s, and she was traveling back and forth to the area visiting them. At the same time, she was making connections in the domestic violence community here. When the Mecklenburg County Area Mental Health Authority created a domestic violence coordinator position in 2001, she interviewed and was offered the job. Since then, she has become a well-known consultant, trainer, and international speaker.

Listening to Julie Owens, Audrey realized what she had endured was not representative of the God she knew.

This is her life's work. "It's the reason I was put on this planet," Owens says.

She educates clergy and church members about the need to focus on victims' safety. She wants religious leaders to better understand abuse, hold abusers accountable, and screen for signs of abuse when they conduct premarital counseling.

At her speaking events, Owens finds that many women are "afraid to move outside of what they are traditionally taught." But once they hear a different perspective, "It's like they have been set free in a way, and can breathe a sigh of relief."

When Audrey decided to attend the seminar at Johnston Memorial, she urged Pastor Howard, as parishioners call him, and other church leaders to join her. She wasn't surprised when Howard didn't respond and the elders said they couldn't. Excuses, she thought. But she focused on moving forward in her quest for help.

cannot honestly be construed as assuming 'the power to say what we shall drink and wear,'" Ruger says. A military commission fines Waring $300 for "disloyal and seditious writings."

Local whites save their worst language for the Freedmen's Bureau.

The bureau, established to help about 4 million freed slaves make the transition from slavery to freedom, sets up a district office in Charlotte near the grounds of the shuttered North Carolina Military Institute on Morehead Street. With transportation between states suspended, refugees stream into Charlotte. As many as 20 new refugees—black and white—arrive each day at the tent city set up by Captain John Barnett, the local Freedmen's Bureau leader who's just arrived from Indiana. By summer 1865, about 200 freedmen from Mecklenburg crowd the tent city, along with 500 to 600 more waiting for a chance to move elsewhere.

AS BAD AS THINGS are in Charlotte, it's worse elsewhere. The town might have been looted, but it has not burned like Columbia, South Carolina, and Atlanta. Crews quickly fix the railroad tracks and leaders make plans for new lines. Farmers' wagons fill the streets again. Shopkeepers and tradesmen return to the city. Former Confederate governor Zebulon Vance sets up shop as a lawyer in Charlotte—after he gets out of federal prison in early 1866. Charlotte, one of the few railroad hubs with tracks still intact, draws business away from the river market towns of South Carolina, which are still reeling from the destruction left by the Union Army. Even Charleston merchants advertise in Charlotte papers hoping to regain some of the cotton business they've lost. "The quantity of goods brought here is amazing," local preacher Robert Burwell writes in 1866, "and yet they all are sold."

With cotton in short supply, prices surge. Many farmers, some in debt after the war, stop planting corn and wheat to focus on the cash crop. Even when cotton prices drop in 1870, cotton still brings in more money on less land than food crops. Charlotte reeks with the thick smell of bat guano, a new and cheap fertilizer good for growing cotton. Warehouses full of the stuff line the streets near the train depot.

It's no wonder, then, that plantation owners want former slaves back in the

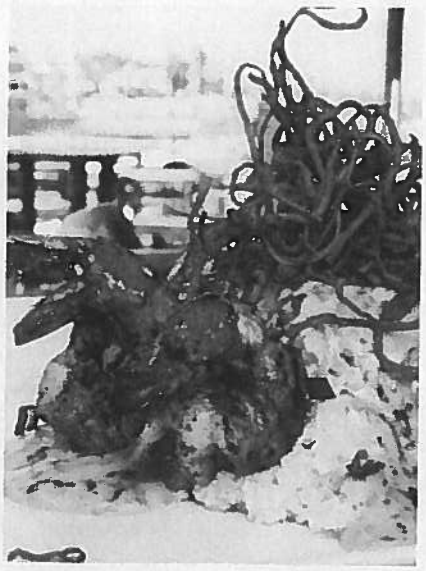
Explore Florida's Culinary Roots

Taking advantage of local bounty is a longtime tradition on Florida's dining scene. Nearly 30 years ago, a group of cutting-edge chefs in South Florida, known as the "Mango Gang," spearheaded the farm-to-fork concept, using locally sourced fruits and vegetables and introducing ingredients like guava, yucca and hearts of palm to kitchens around the world. Now, you can take an "agventure" around the state, visiting dairy, citrus and organic farms, scalloping in the waters off Florida's Big Bend region, or even pitching in on commercial crab and fishing boats. You also can enjoy wine tastings at vineyards scattered from St. Augustine and Tampa to Clermont, Fort Myers and Miami, or tour the numerous craft breweries that have opened around the state.



A fusion of flavors and cultural influences highlight vibrant dining scene.

COME MAKE MEMORIES

IT STILL EXISTS.

Small-town Florida isn't our theme. It isn't a look, a style or a gimmick. Outside the fudge counter, the sidewalk leads to the river and the river flows to the beach, the zoo and the biggest fishing pier around. Call it the Canoe Capital of Florida. Call it Gulf Islands National Seashore. We call it home, and we're willing to share.

ACCOUNT STATUS
Where allowed by law, AT&T may implement late payment interest of no more than 18% annually. Rates will vary based on state regulations. Interest will be calculated based upon daily balances and will be applicable for each day that a delinquent balance is outstanding. This charge will apply to all balances that are delinquent through such time that payment in full is received at AT&T. The late payment interest will be billed on a monthly basis. Accounts billed outside the US will not be charged LPI.

Where allowed by law, AT&T may implement a $25 service fee for restoration of service where delinquency has caused an interruption. This fee will be applicable to each account that is being restored and will be included on your monthly billing statement.

Some products require electronic billing as their official bill media. When electronic billing is the official bill media, an informational statement may be sent containing some of the same information as the electronic bill. The informational statement is not your bill. However, if you choose to mail your payment instead of paying electronically, the informational statement has a tear-off that can be used to submit your payment.

Travelers Alert! Cashless Tolls

Throughout the country, there is a movement by many highway authorities to eliminate the ability to pay cash for tolls. These roads are called "Cashless Tolls" which means there is no ability to pay cash once you have entered onto these highways.

If your travels take you to a destination where these Cashless Tolls exist and you are renting one of our cars, you need to rent PlatePass® from Dollar or contact the applicable toll authority for other alternatives. For an all-inclusive price, PlatePass® covers the cost of the unit and the tolls you encounter.

If a toll is violated, customers will be responsible for toll costs as well as an administrative fee for every toll violation. Please ask for more information when you arrive at the counter.

CLT - CHARLOTTE, NORTH CAROLINA, UNITED STATES

1. Additional drivers must qualify with a valid driver's license in their own name. Additional driver fee is $11.00/day.
2. Park car in the airport's daily parking, leave parking ticket in the car and lock all doors. Note on the rental agreement the time, date and where the car is parked in the parking garage. A locked drop box is located at the rental counter on the lower level, baggage claim, of the airport. Place the keys and rental agreement in the drop box, the customer may be charged for parking.
3. Loss Damage Waiver (LDW) is optional. Cost ranges from $26.99 to $36.99/day. Supplemental Liability Insurance is optional at a cost of $13.99/day.
4. Driving is restricted to the continental United States.
5. A major credit/debit card in the renter's own name must be presented at the time of pick-up. At the time of rental, an authorization hold will be secured on the credit/debit card provided, to cover the estimated rental charges and any additional charges that may be incurred. These funds will not be available for your use. If authorization for the estimated amount cannot be obtained, the rental will be denied.
   Use of a debit card to rent a vehicle is subject to a review of your credit history. Prepaid credit cards and gift cards are accepted for payment at the end of the rental when the final charges have been settled.
6. When the renter chooses to receive Frequent Flyer miles, we will collect a Frequent Flyer surcharge, not to exceed $1.50 per day, at the time of rental to offset a portion of the annual cost of participation in the Frequent Flyer program.
7. Reservations will be honored for 6 hours after original scheduled pick up time unless the location is closed. Customers with reservations who experience weather or mechanical delays with airlines will be accommodated.
8. Non-Smoking Fleet
9. Customers obtain their luggage and head to our in-terminal rental counter located on the lower level. Once paperwork is completed or if our in-terminal counter is not manned, customers go directly to the shuttle bus which will take them to our rental location.
10. Please note: There are toll roads within this area that have converted or will be converting to all-electronic tolling or cashless tolling. In these areas there is no option for a rental car to stop and pay the tolls in cash. If your travels will take you on a toll road in an area where there is no option to stop and pay cash for the tolls, PlatePass All-Inclusive Tolling is the perfect solution. If you choose not to select the PlatePass pre-paid tolling option and travel on one of these all-electronic toll roads, and do not have your own tolling device in the vehicle, the applicable toll will be paid for you and an administrative fee of $15.00 per occurrence with a maximum of $105.00 will be charged.
11. Customers who do not purchase our refueling option must refill the vehicle within a 10 mile radius of the rental return facility and present a fuel receipt to avoid refueling charges.

12. For rentals 30 days or longer, the customer must return the vehicle for maintenance or to renew the contract every 30 days to the location.
13. A valid driver's license in the customer's own name must be presented at the time of pick up. Minimum age is 21 on most vehicles; please see special Vehicle Requirements. Renters under 25 may be subject to an additional fee.
14. Any changes to your reservation or rental may result in a change of rate or additional fees.
15. Customers must be 25 yrs of age or older to rent or drive premium and luxury cars, convertibles, and SUVs.

Florida's First Coast of Golf

TO: Gil Langley, Amelia Island CVB

FR: David W. Reese, Florida's First Coast of Golf, Inc.

RE: FY 2014-15 Amelia Island Tourist Development Council golf marketing budget allocation

DATE: June 20, 2014

The strategic partnership between the Amelia Island Tourist Development Council and Florida's First Coast of Golf has truly been beneficial to Amelia Island and the NE Florida region as we continue to lead the State of Florida in cooperatively marketing one of our regions strongest assets – GOLF.

In calendar year 2013, Amelia Island and the First Coast region grew by 4% and lead the State of Florida in growth YOY. Calendar year 2014 is off to a tremendous start despite the slow start in January. Amelia Island stands at +24% YTD through May, NE Florida region is flat YTD while other competitors are in negative territory on the year. The number of tourist rounds reported by the courses rose from 38% to 45% of total rounds played on the Island from 2013 to 2014 YTD. Tourist play on the Island continues to play an important role in filling rooms.

Our collaborative efforts are more important than ever in chasing more market share and higher yields. I hope you will agree that the increased marketing efforts established over the past several years between our organizations have produced strong initiatives with positive results.

RESULTS

- In 2013, there were 45,521 tourist rounds played on the Island equating to 19,346 room nights attributed to golf tourism on the Island
    - Combined investment of $93,500 yielded a $38.7 to $1 return based on room revenue (19,346 x 2013 ADR $191.99)
    - Amelia Island Golf Tourism has seen a 24% increase through May 2014 over 2013
    - Amelia Island and the NE Florida region led the State of Florida in 2013 over 2012 for the largest increase in % of golf rounds played (4%).
- $27.42 advertising/marketing/promo in-kind buying power to every $1 spent by Amelia Island CVB giving the island 27 more times the opportunity to capture the golf tourist

We are respectfully requesting $54,600 for FY 2014-15 as Amelia Island's allocation to the baseline FFCG budget. Additional cooperative marketing opportunities will be available for consideration in July 2014 allowing Amelia Island to increase its share of voice. Thank you very much for your consideration in Amelia Island Convention & Visitors Bureau's planning process.

c) Shrimp Festival will obtain all necessary permits, approval and venues for the conducting of the shrimp festival event and related activities.

d) Shrimp Festival agrees that it is an independent contractor and has no authority or right to make obligations of any kind in the name of or for the account of the AITDC nor to commit or bind the AITDC to any contract (other than this agreement) by virtue of this agreement.

The AITDC will:

Both parties agree that if, for any reason, the Shrimp Festival does not take place in May 1st, 2nd and 3rd, the funds paid to the Shrimp Festival will be refunded.

RELATIONSHIP OF PARTIES:

This agreement shall not be deemed to create a partnership, joint venture or similar relationship between the parties. Each of the parties shall act solely as an independent contractor, and none shall have the power to bind the others; provided, however, that all obligations and liabilities of AITDC to Shrimp Festival created by or as a result of this agreement shall be the liability of Shrimp Festival and AITDC shall be entitled to the recovery of the amount owed pursuant to such obligations and liabilities from Shrimp Festival.

MISCELLANEOUS PROVISIONS CLAUSE:

Nothing in this Agreement shall create a partnership, joint venture or establish the relationship of principal and agent or any other relationship of a similar nature between the parties. The parties to this Agreement shall be considered independent contractors and neither party is granted the right or authority to assume or create any obligation on behalf of or in the name of the other.

NON-DISCLOSURE:

Except as otherwise expressly required by law, the parties hereto will not publicly announce or otherwise disclose to any third party any term or provision of this agreement. The provisions of this agreement shall survive the expiration or termination of the Agreement.

TERM:

This agreement shall commence when fully executed and shall remain in full force and effect until the completion of the Events, or no later than December 31, 2015.

ACCOUNT STATUS
Where allowed by law, AT&T may implement late payment interest of no more than 18% annually. Rates will vary based on state regulations. Interest will be calculated based upon daily balances and will be applicable for each day that a delinquent balance is outstanding. This charge will apply to all balances that are delinquent through such time that payment in full is received at AT&T. The late payment interest will be billed on a monthly basis. Accounts billed outside the US will not be charged LPI.

Where allowed by law, AT&T may implement a $25 service fee for restoration of service where delinquency has caused an interruption. This fee will be applicable to each account that is being restored and will be included on your monthly billing statement.

Some products require electronic billing as their official bill media. When electronic billing is the official bill media, an informational statement may be sent containing some of the same information as the electronic bill. The informational statement is not your bill. However, if you choose to mail your payment instead of paying electronically, the informational statement has a tear-off that can be used to submit your payment.

SECOND SATURDAYS ARTRAGEOUS ARTWALK

In addition to beautiful beaches, Amelia Island is also known for upscale galleries and talented artists who call this island home. Thus, Second Saturdays Artrageous Artwalk was born.

On the second Saturday of each month from 5:30pm–8:30pm, participating galleries host art events. Residents and tourists alike can enjoy the various types of art that each gallery has to offer as well as meet the artist. Photography, pottery, copper, metal, fused, as well as, stained glass, watercolors, acrylics, oils and batik are just a few of the varied media you can expect to see.

AMELIA ISLAND

A hidden gem filled with history, culture, natural beauty, and activities, Amelia Island is consistently ranked as a top beach destination. From "Top 10 U.S. Islands" by USA Today to "America's Favorite Beach Towns" by Travel + Leisure, Amelia Island is beloved by all!

1A. AMELIA SANJON GALLERY

Devoted to displaying a wide range of fine art and artisan-made gifts, the gallery is also the working studio of artist Sandra Baker-Hinton, who is available to share her world of art, work with the Sea Turtles, and recommendations on the island's points of interest and current activities.

Throughout the year, local and regional artists in most mediums, including Sandra's own work in painting, nature photography and "recycled" fused glass, will be showcased.

Since "copper" is the newest fashion rage the gallery has an extensive collection of, too beautiful to describe, Vintage Copper Jewelry from the best known nationally-acclaimed copper artists of 45–70 years ago. These pieces have the care free, shiny-like-new, non-tarnishing "modernist" designs used by these artists, making them truly collectable treasures. You will find these artists' work featured in the book "Copper Art Jewelry, A Different Lustre" by Mathew L. Burkholz and Linda Lichtenberg Kaplan, which has become the standard of "collectable copper jewelry." A totally unique gift idea for any special occasion.

Atlanta estimate is approved.

I'm confused why the Brand USA UK multi-channel estimate is so high. It wasn't part of the creative evolution because that hasn't happened yet. It's also the same ad running in the Visit Florida International Guide and the Brand USA Essentially America placements. Although they may all have different specs, it's the exact same ad and I've already approved estimates for $1,147.50 for those four to be resized. For this resize to come in at $522.75 instead of the resize of $255 needs to be explained. Please advise.
