

Anchor Southbay Church

Our Vision

To build a transformational community in the South Bay where every person can discover a place to belong, and be changed forever by the love of Jesus Christ.

Why:

The "Christian" community isn't an option our friends and family are looking for. The church is no longer on the "radar" of our friends and family. As a result, the church is decline and in many cases irrelevant. We need to be creative and intentional in providing a transformational community which overwhelms each person with the love of Jesus, and narrows the options, to just one option.

How? By creating a church you would be excited to invite friends and family. A church that is loving, relevant, and compassionate. A church which offers transformational encounters with God, and brings meaning, purpose and life change.

When? Now!!! We are losing the next generation to sports, entertainment and cultural events each and every week. And the decision is getting easier and easier for every person to make. Our hope and vision is to change each person's perspective of the church. For every person to experience the life changing power of Jesus Christ, and to transform a choice into a commitment.

Our Philosophy

Every leader is an **EQUIPPER**. Ephesians 4

And He gave some as apostles, and some as prophets, and some as evangelists, and some as pastors and teachers, for the equipping of the saints for the work of service, to the building up of the body of Christ; until we all attain to the unity of the faith, and of the knowledge of the Son of God, to a mature man, to the measure of the stature which belongs to the fullness of Christ. – Ephesians 4:11 – 13 (NASB)

Every member is a **MINISTER**. 1 Peter 2

And coming to Him as to a living stone which has been rejected by men, but is chosen and precious in the sight of God, you also, as living stones are being built up as a spiritual house for a holy priesthood, to offer up spiritual sacrifices acceptable to God through Jesus Christ. – 1 Peter 2:4-5 (NASB)

No one ministers **ALONE**. Romans 12

- **Team Structured**

For through the grace given to me I say to everyone among you not to think more highly of himself than he ought to think; but to think so as to have sound judgement, as God has allotted to each a measure of faith. For just as we have many members in one body and all the members do not have the same function, so we, who are many, are one body in Christ, and individually members one of another. – Romans 12:3-5 (NASB)

- **Gift Based**

Since we have gifts that differ according to the grace given to us, each of us is to exercise them accordingly; if prophecy, according to the proportion of his faith; if service, in his serving; or he who teaches, in his teaching; or he who exhorts, in his exhortation; he who gives, with liberality; he who leads, with diligence; he who shows mercy, with cheerfulness. – Romans 12:6-8 (NASB)

- **Love Driven**

Let love be without hypocrisy. Abhor what is evil; cling to what is good. Be devoted to one another in brotherly love; give preference to one another in honor; not lagging behind in diligence, fervent in spirit, serving the Lord; rejoicing in hope, persevering in tribulation, devoted to prayer, contributing to the needs of the saints, practicing hospitality. – Romans 12:9- 13 (NASB)

Our Practice

Our ‘practice’ begins with a clear understanding of what we mean by “the church.”

- The church is not just an **organization** but also an **organism**.
- The church is not **religion** but a **relationship**.
- The church is not a **building** but a **people**.
- The church is not an **event** but a **calling**.

Joining The Anchor South Bay is about a growing relationship with God, developing authentic community with people and being radically committed to a cause not a name or a role.

How To Get Involved at the Anchor

One of the most important decisions a person or family makes in their spiritual journey is to take a step towards involving themselves in the activities and family life of a local church. To ensure that this process is both positive and smooth, the staff and leadership want to offer some helpful steps on how to become involved at the Anchor South Bay.

Step 1: Commit Yourself to Regularly Attending a Sunday Morning Service.

The Anchor South Bay morning services are specifically designed to address 21st century issues in a warm, informal, and contemporary setting. If you are a believer or a seeker, welcome! Every aspect of our morning services from the music to the message is planned to be relevant, inspirational, and thought-provoking.

Step 2: Attend a Community Group

More often than not the average person sees the Sunday morning service the primary connecting point to a local church. We see this as a very positive start!

However, we also understand that large groups are usually not the ideal setting to promote community and relationship building. This was illustrated by a very thoughtful comment that a Visitor made to a member of our staff. He commented "we love the music and teaching on Sunday, but I would like to get to know people...it is hard to do in such a large group."

Great point! The truth is, Sunday services are not really designed to provide an environment to build relationships and meet new friends (even though we are working hard to connect people to each other).

That is why The Anchor South Bay offers small groups that meet in homes throughout the South Bay area. Small groups are designed to foster relationships, personal instruction, and off-site activities. Information about the Anchor small groups can be found at www.anchorsouthbaychurch.org If you would like assistance in selecting a small group, please contact Pastor Keith at keith@pcjcfm.org

Step 3: Volunteer Your Services

The Anchor South Bay offers many opportunities to volunteer service. One way to become involved in the life of a church is to assume an ongoing responsibility in a specific area of interest to you. We believe that becoming committed to serve faithfully is to experience the wonderful Biblical truth "Give and it will be given to you". Please feel free to inquire about volunteer/service opportunities at the Anchor by contacting Pastor Keith at keith@pcjcfm.org

Step 4: Ask for An Appointment with a Pastor

The pastoral staff are always available to answer questions that you may have in regard to your interest in becoming more involved. Sometimes a personal meeting can provide needed information to take the next step.

Step 5: Pray

Still no clarity on where to get involved? We believe a decision to involve oneself in the family life of a church is a decision that is better made in prayer. Pray about where the Lord wants you to be involved. You may not get an initial "warm fuzzy feeling" that directs you....that's okay! God will direct you.

Step 6: Accept Our Affirmation

A decision to become involved in a church is a mark of spiritual maturity. We want to affirm your resolve, willingness, a desire to take such a big step forward. It proves that you understand that a church is not meant to be a grandstand with everyone on the sideline watching a few "star players" perform. We are all meant to be on the field and in on the action in a loving, caring, serving, encouraging expression of Christ's family, the church.

Step 7: Take Your Time

You may have come to this church bruised, tired, wounded, or with no prior understanding of how a church functions. You may feel that you do not have the strength or ability to immediately involve yourself at the Anchor. Take your time. You do not have to do anything to EARN God's favor, or ours. Take some time to grow, heal, or simply get acquainted. Then when it is time for you to "take up a towel and serve," you will be ready!
