### Needs at This Time:

#### **Food Round Up**

*Happening during the entire month of April*

In lieu of adults purchasing food and other items, our church for years has bought Food Lion, WalMart, Sam's Club, or Lowes gift cards, or even written checks to Apex Baptist Church designating NC Baptist Children's Homes "Food Roundup"

The homes, with up to 12 children, can then buy needed perishables (meat, milk, eggs, produce, etc.) to round out the 700,000 meals and snacks served to our NC Baptist Children's Home children each year.

Our young children in the church will still bring non-perishable food or paper products to their Sunday school classes by April 28<sup>th</sup>.

What a great mission opportunity to share hope to our children in care in over eighteen locations across North Carolina.

Thank you for making the lives of our children brighter through your gifts!

### Most Urgent Needs at This Time:

- We're asking our supporting churches to conduct a drive of gently used clothes/shoes/furniture/toys/etc. to fill up the new thrift store opening in a month or so.
- Volunteer and donation opportunities for the upcoming special events. (This includes the need for personal workers during the evangelistic services.)
- Room renovation opportunities.
- Ongoing canned goods and nonperishable food needs for residents. (Enrollment has increase 50% this year and we're struggling to keep up.)
- Hygiene products for that are specific to men and women. (Non-alcoholic cold medications.)
- Single bed mattresses and bunk beds (used is great) for the women's and men's facilities.
- Cribs that have stationary sides. We can no longer take ones with the drop down doors.
- Baby/toddler specific health/hygiene products.
- Adopt a DRM family
- Help provide meals & connect with the DRM residents
- Financial needs
