To Go the Extra Mile

Today we will have the opportunity to celebrate communion together. As we recognize the great love given to us, may we also acknowledge our own ability to give great love to others. We have people come to our church every day who need money for rent, utilities, gas, *and much more.* We are able to give to those in need out of our critical needs fund, and we need you.

Baskets will be available next Sunday during communion, as well as envelopes, if you are willing to go the extra mile to give above and beyond your regular giving to help provide funds for these critical needs. Please consider giving whatever you can. Even the smallest of gifts goes a long way to those in need. If you have questions about this fund, please don't hesitate to contact Pastor Allison or the church office.
