Our Core Values

Special Leadership Issue

BY: STAN LELAND,
CHAIRMAN OF THE ELDERS

In the Loop newsletter that you are receiving, the Elder's wanted to give you a brief bio of each of the 2012 candidates that have accepted the call to serve this congregation.

Our encouragement to you is, if you do not know any of these men, then find them in the hall, call them, or invite them to lunch and get to know these men. We are also in the 30-day period. This period is for you to come forward with any concerns you have for any of these men on why they scripturally should not serve this congregation. We know this might be very uncomfortable for you to do this, but if this process is to work, then coming forward is something that needs to happen. The process for you would be to contact one of the Elder's and voice your concern. The conversation will be held in the strictest form of confidentiality.

Serving the congregation is a very humbling responsibility. The church sets aside a day where the current Elders ordain them as a Deacon or Elder. Those individuals before you and God, pledge to do

their best for you, the congregation. It is a responsibility that many choose not to do, but for the men that do, it is a very serious decision. If you would, please lift these men up in prayer. Prayer is something we can all do on a daily basis for them and their families.

God bless you and your families, as Bachelor Creek Church of Christ, the members, staff, and leadership walk together in reaching out to the lost, broken, poor, and forgotten of Wabash and the surrounding areas.

Sincerely,

Stan
