

GET **UNSTUCK** 45-DAY CAMPAIGN

We all want more than just an “okay” relationship with God. We want real purpose, real relationship ... *real life!* That’s why our church is launching a transformational spiritual-growth campaign, and we want you to join us.

For the next 45 days, individuals and small groups throughout our congregation will go deep into the Bible. Not just reading it, but engaging God’s Word. And this book and website will guide us along the way:

Unstuck: Your Life. God’s Design. Real Change.

After conducting extensive research on the spiritual lives of more than 70,000 North American Christians, authors Arnie Cole and Michael Ross have found a proven path to a thriving walk with Christ.

Here’s what Focus on the Family’s president says about *Unstuck*:

“As Christians we often talk about ‘spiritual growth,’ but for many it’s a concept that remains elusive. With *Unstuck*, Michael Ross and Arnie Cole offer a blueprint for genuine growth in grace, grounded in the life-changing power of Scripture.”
