

Balboa Baptist Church
COVID-19
UPDATE March 16,2020

Church Family,

We wanted to bring you up to date on our latest decision to keep our members and guests safe during the rapidly changing COVID-19 challenge. Schools statewide are now closed. Confirmed cases of COVID-19 currently exist in Garland and Saline Counties. According to the POA, at least one person is now being tested in the Village. As of March 15th, the Center for Disease Control (the CDC) is recommending the cancellation of events that consist of 50 or more people. The President has now recommended not holding events with groups of 10 or more people.

After considering these factors, church leaders and staff have decided to suspend ALL on-campus services starting this Sunday. I will be preaching live **online** at 9 AM this Sunday, so grab your coffee and your Bible and tune in.

While the offices currently are currently open, we respectfully request church members to call, email, or text any questions you might have. Keep watching your email for updates.

We have developed a special website to allow you to continue worshipping via livestream. Simply click on the link below at 9 AM. You may also watch the message live on our Facebook page. Or you may also view the message at a later time on our Facebook page or our church website:
