HIS MIGHTY WORKERS – Co-ED

OC Room 113

Roy & Julia Hyett, Teachers

A discussion-style learning group utilizing Lifeway's *Explore the Bible* curriculum. Most of the membership of HMWs are still actively working and share many commonalities for this stage of life including work, family, and mid-life responsibilities. The class is a friendly, outgoing fellowship where members are both supportive and sincerely interested in the lives of each member. It feels much like a "Life Group" because of the friendships that form as a result of our S.S. membership. Additionally, there is an attempt to offer outside-of-class opportunities to fellowship.

IMPACT CLASS - Co-ED

OC Room 116

Dr. Polly Brown, Teacher

Designed to explore the deeper meaning of spiritual truths that are familiar to most church members. Group participation is welcomed in searching out practical everyday application of Biblical truth. The study is guided by the *Explore the Bible* Lifeway curriculum.

SEEKERS CLASS - Co-ED

Fellowship Hall – Room 117

Dr. Larry McGhee, Teacher

ALL are welcome to the Seekers Class. There is a comprehensive study of God's Word. We study each book of the Bible, chapter by chapter, verse by verse. The class has small groups that meet for additional fellowship that help each member to get to know one another with lots of sharing, caring, and praying. Class fellowships occur many times during the year.

PATHFINDERS CLASS - Co-ED

OC Room 117

Carroll Mercer, Teacher

Study focuses on understanding how God's Word gives direction for day-to-day living; combines Bible searching, presentation by leader, & discussion. We use Lifeway's *Explore the Bible* materials. "Care & Share Groups" help members to know each other in a more personal way.

WELCOME CLASS - Co-ED

Fellowship Hall – Room 119

Dick Rypkema & Rev. Bruce Swihart,
Co-Teachers

Uses Lifeway's *Explore the Bible* materials; informal Bible teaching style, practical application of scripture. Small "Care Groups" help members keep in touch by phone, email, and enjoy social events. Class fellowships held frequently.

MARY MARTHA CLASS - LADIES CLASS

The Ruth Sunday School Class welcomes ladies of all ages and marital status who prefer studying the Bible with other women. We use the *Exploring the Bible* series. Participation and discussion are encouraged. Ministering and caring for each other are our themes.

FISHERMEN CLASS - MEN'S CLASS

Room 114

Teachers, Dick Stanton & Glen Barr

Both teachers have similar styles where they ask questions to stimulate discussion. We are presently studying Jeremiah. We rotate between Old Testament and New Testament books. We go verse by verse and do not have a set agenda of trying to finish in a set period of time, picking up each week where we had left off. We use Southern Baptist sources of conservative Biblical teaching, not Lifeway.

YOUTH CLASS (Grades 7-12)

OC Room 118

Donna O'Neal, Teacher

Our Youth Class uses the Lifeway *Bible Studies for Life* Student materials. Young people have inquisitive minds looking for answers to the problems they face today. It is exciting to see the light of understanding shine in their eyes when their questions are answered from God's Word. We welcome the opportunity to meet and encourage any young person who is seeking answers to life's questions.
