The Baptist State Convention of Michigan is committed to God's Plan for Sharing and to Reaching Across North America and specifically Reaching Across Michigan. Additionally, the Baptist State Convention of Michigan is committed to helping resource our associational and church partners to reach across their areas and communities with the gospel of Jesus Christ.

Our Reaching Across North America/Reaching Across Michigan strategy coincides with our state convention mission statement: "Doing whatever it takes to see lives transformed by the Gospel

of Jesus Christ." Given that we live in a state with a lost population of 9 million we are committed to do whatever it takes to see lives transformed by the Gospel of Jesus Christ through Reaching Across North American/Reaching Across Michigan.

Foundational to living out our mission statement is prayer. We ready and available to come to your church and/or association to provide training in intercessory prayer and in prayerwalking.

"Doing whatever it takes" isn't just going to happen on its own. Advanced planning and preparation are needed. We are also ready and available to come to your church and/or association to provide training in how to plan and implement an attractional, community-reaching, evangelistic event.

We would love to partner with you to help with the promotion and implementation of attractional, community-reaching, evangelistic events such as evangelistic block parties, Friend Day, etc. for your church or church plant. We will have some "Find it Here" yard signs and 10' x 3' banners available to you free of charge (see pics on page). We will also have some limited funds available to help with your promotion and implementation of an attractional event. In addition, we have "Find it Here" tracts and clear plastic door-hanger bags available at no cost.

Believing that God is at work all across America and here in Michigan, we want to be prepared for the decisions that are going to be made. We are ready and available to provide your church and/or association training in witnessing and in decision counseling.

Please contact Cindy to arrange for training and/or materials at 810-714-1907 or cindy@bscm.org.
