### **AGREEMENT**

If selected for a missions team, I agree to work cooperatively with WMU, with other team members and with "on-site personnel." I am willing to do advance preparation, if necessary, but also willing to alter plans as needs arise. I believe I am in good health and will be able to meet any physical challenges. I agree to be flexible and adaptable in working with others. I agree to be sensitive to cultural differences and respect other traditions and customs. I agree to show Christ's love in all my relationships. And, most importantly, I agree to go with a servant's spirit, seeking to honor Christ in all that I say and do.
