■ **Crazy Love**

Duration: 10 weeks Target Audience: Adult Coed Cost: \$10
 Leader: David Grigsby Room: 1069

It's crazy, if you think about it. The God of the universe loves us with a radical, unconditional, self-sacrificing love. And what is our typical response? We go to church, sing songs, and try not to cuss. The answer to religious complacency isn't working harder at a list of do's and don'ts...it's falling in love with God. God is calling you to a passionate love relationship with Himself. This study allows you to dive deeper into God's love.

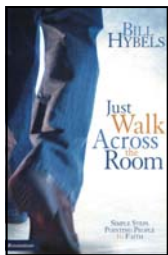

■ **Uprising**

Duration: 6 weeks; Cost \$9 (followed by)

Just Walk Across the Room: Duration: 4 weeks; Cost \$9

Target Audience: Adult Coed Leader: Gus Rocha Room 2021

Uprising: It seems like anyone you talk to these days desires change. They wish they looked different, had a different job, or were better at this thing or that thing. What you've probably discovered is that you can change your appearance, your habits, your friends, your job, but you can't change your character. At least, not on your own. In this small group Bible study, Erwin McManus teaches us that there's one thing you can't change about yourself and that's your character. Only Christ can transform us from the inside.

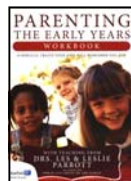

Just Walk Across the Room: The next era in personal evangelism has arrived! This transforming, four-week experience will guide your church through inspiring sermons, insight-packed small group sessions, and individual reading of the book *Just Walk Across the Room: Simple Steps Pointing People to Faith*. Discover how to follow the Holy Spirit's promptings to "just walk across the room" and into the lives of people living far from God.

■ **Parenting the Early Years**

Duration: 8 weeks Target Audience: Parents Cost: \$9
 Leaders: Tommy & Roxann Mitchell Room: 1066

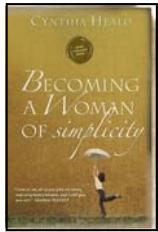

Parenting the Early Years: A lot of times parents need help, but nobody likes to ask for help. That's why Drs. Les and Leslie Parrott have created a new video-driven study called *Parenting: The Early Years*. This teaching takes a Biblical approach into the traits parents want their children to have and what traits they want their children to see modeled in them.

■ **Becoming a Woman of Simplicity**

Duration: 12 weeks Target Audience: Women Cost: \$10
 Leader: Lindy Skinner Room: 1075

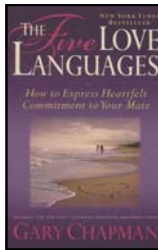

The purpose of this study is not to show you how to downsize, de-clutter, or say no to everything. The purpose is to encourage you to live life the way God has planned for you.

■ **Five Love Languages for Couples**

Duration: 7 weeks Target Audiences: Married Couples Cost: \$13
 Leaders: Chris & Robin Queen Room 1068

Dr. Gary Chapman helps married couples deal with their unmet needs for love. You will learn the five unique communication methods—Quality Time, Words of Affirmation, Gifts, Acts of Service, and Physical Touch. Love is something you do for someone else, not yourself.
