

FACULTY & STAFF

Each class in our school is taught by a Lead Teacher (degreed and licensed) and an Assistant Teacher (minimum high school diploma). These faculty members come under the direction of the Principal.

All faculty members are required to attend five in-service days per school year. This enables our faculty & staff to stay informed with the latest trends and issues in education. All faculty members are born-again Christians professing their personal faith in Jesus Christ as their Lord and Savior.
