

# STAY & PLAY 2017-18

We offer a special extended-day program Monday-Friday from 12:30-2:30 PM. Every student is eligible for this program at an additional cost per month. See pay scale below\*

We will begin this program on Tuesday, September 5th. **You must sign up by Wednesday, August 30th to be assured placement in the program.** Remember: You are signing up for this program for semester or the entire school year. We are NOT a drop-in program like child-care centers. Our teachers, who will be supervising, are not paid per child but on a budgeted salary which is determined by the initial number of children who register.

## Answers to your Stay & Play questions:

- 1) **When do I Pay?** Include your payment with your tuition each month. The **first Stay & Play** payment is due with the September tuition payment. Remember, you are paying by the month. The September payment should be for **one-half** the usual monthly fee. This covers days missed during the school year for holidays/weather cancellation/student illness/etc. **There are NO refunds for missed Stay & Play days for any reason.** Some months have more Stay & Play days than others, we feel this is an equitable compromise. The months of December & May will be full pay months.
- 2) **Can my child come one month & not the next?** NO! As explained above, our teachers are paid a budgeted salary not per child. When you sign up for the program we expect you to continue for the entire semester/school year.
- 3) **What do they bring on that day?** They need to bring a lunch and drink (NO GLASS BOTTLES/NO CARBONATED DRINKS IN THERMOS). We suggest fruit juices or water (no soft drinks) and a healthy lunch. Suggestions: meat sandwich on special bread, meat/cheese roll-ups, cheese & crackers, veggie sticks & dip, slices of fruit, fruit cups, yogurt, granola bars. **Your child's classroom may be declared a NO PEANUT ROOM. Your teacher will inform you of this before Stay & Play begins.** Hot dogs and grapes should be cut so that they are not in round pieces which could cause choking. We have no provision for heating/cooling food for your child. **PLEASE NO FAST FOOD**
- 4) **What do they do?** It is a relaxed afternoon where they eat lunch (they bring from home), work in learning centers, play games, enjoy outdoor play, or watch a movie. (We provide the movies, such as "Veggie Tales", "Clifford", "Reading Rainbows", etc.) There is no scheduled nap time.
- 5) **What time do we pick up our child?** Stay & Play is over at 2:30. The front door will unlock at 2:30. PLEASE do **not** come for your child any earlier except for unusual circumstances. Late pick up rules apply for Stay & Play just as they do for morning classes. You are allowed a 10 minute grace period (please use sparingly) and after that **\$ .50 per minute will be accessed.**

If this doesn't answer all of your questions, please, ask. We look forward to providing a fun afternoon for your child!

1 day=	\$40
2 days=	\$80
3 days=	\$120
4 days=	\$160
