

## **Available Women's Ministry Courses**

### **Women's Ministry Track**

#### ***Becoming a Facilitator***

This handbook equips students to become facilitators using the methods BEE World employs.

Available languages/formats: English (print/IBS); Arabic (PDF/IBS); Chinese (PDF/IBS); Vietnamese (PDF/IBS); Punjabi (PDF); Urdu (PDF); Burmese (PDF)

#### ***Bible Study Methods***

This course uses both oral and written methods to teach inductive Bible study methods.

Available languages/formats: English (print, for BEE Women's Ministry facilitators only at this time)

#### ***Character of God***

This course introduces the character of God and emphasizes women in ministry developing and maintaining godly habits of daily quiet time, prayer, and outreach.

Available languages/formats: English (print); Chinese (PDF); Hindi (PDF); Punjabi (PDF)

#### ***Christian Family***

This course introduces a biblical approach to loving and raising children for the glory of God. It coaches students in practical issues of parenting children at major stages in their development.

Available languages/formats: English (print/IBS)

### ***Healing the Wounds of Trauma: How the Church Can Help***

This optional course shows women that past traumas left undealt with wound the soul and hinder ministry. After working toward healing from some personal traumas, women learn to partner with their churches to meet the needs of other hurting people.

Available languages/formats: English (print/IBS); Chinese (PDF); Hindi (PDF/IBS); Punjabi (PDF)

### ***Marriage***

BEE's first course on marriage, published in 1998, helps students understand the biblical pattern for marriage, examine some of the practical implications, and develop attitudes, skills, and habits to enrich marriage.

Available languages/formats: English (print/IBS); Arabic (PDF/IBS); Vietnamese (PDF); Hindi (PDF); Punjabi (PDF); Urdu (PDF); Burmese (PDF)

### ***Principles of Evangelism and Discipleship***

This course deepens a women's knowledge of the basic tenets of the Christian walk. Students learn to write and present their testimony and how to share their faith with others. They also study the mentor-student relationship and are encouraged to disciple others.

Available languages/formats: English (print/IBS)
