

BBCP APRIL Newsletter

April Showers Bring May Flowers Welcome April! We are hoping that the April showers and snow showers will be over by the time we head out for our Spring field trip to Highbanks MetroPark. Our field trip is planned for Friday, April 20th. Permission slips and information about the field trip came home this week.

A naturalist will be leading a program for us on reptiles and amphibians. Students will also be going on a nature discovery hike. There will be time for families to explore the nature center as well. There is no cost associated with the field trip.

We are looking forward to the outing and will be praying for a bright and sunny day! Please monitor the weather and dress for outdoor exploration. Hopefully we will need sunscreen instead of rain boots or winter gloves. ;)

April Outreach For our April Outreach project, we will be hosting a puppy and kitty shower for the Humane Society of Delaware County. Throughout the month, we will be collecting puppy and kitten food, toys, and supplies that the Humane Society can use to care for their new little guests. If your family would like to participate, the Humane Society welcomes donations of all kinds.

If you would like to learn more about the Humane Society of Delaware County, you can check out their website at hsdcoho.org. On their website, under the *I want to help tab*, is a wish list of specific supplies they currently have a need for.

As always, participation is optional. We like to provide students and families with opportunities to explore and connect with the community. Please email if you have any questions.

We hope you have enjoyed the outreach projects that we have provided the children with this year. We appreciate the support of our families, and love that our little learners have made a difference in the world.

Spring Music Program Wednesday, May 16th will be our last day of preschool and our spring music program. Our talented music and movement teacher, Miss Melanie, has a fantastic program in store for you. In preparation for the program, Miss Melanie has designed and ordered T-shirts for all students to wear at the program and keep to remember their year at Bright Beginnings Christian Preschool.

Coming home in the next few weeks will be an envelope labeled “Spring Program T-shirt Donation.” If you are able to donate \$2.00 to help cover the cost of the t-shirts, we would appreciate it. We will be blessed by any donations. Thank you in advance for helping us with this project. Please email if you have any questions.

BBCP Summer Camp We are busy planning and looking forward to three amazing weeks of summer camp this year at BBCP! If you are interested in your child attending summer camp, please turn in your registration form this month. This will help with our planning. Thank you! If you have any questions or need additional registration forms, please email. We also have registration forms available on the table in the hall.

- Thank you to all who have volunteered to deliver art to local law enforcement as part of our March outreach Project. Other families will be delivering art to the Sunbury Police Department and the officers at the Delaware County Jail. If your family would like to visit and deliver art to a department in the area, please send me a note, and I will gladly get you a packet of art to deliver.
