

**Dr. Seuss Week** Last Monday we kicked off Dr. Seuss Week at BBCP. Children enjoyed a variety of creative learning activities centered around the imaginative works of Dr. Seuss. We transformed the preschool into Seussville filled with many beloved Dr. Seuss characters and of course truffula trees. We hope everyone enjoyed the children's wacky outfits, artwork, and the festive atmosphere. We topped the week off with a large group reading of *Green Eggs and Ham* by Dr. Seuss. Students then visited the Green Eggs and Ham Café for a lovely meal of..... you guessed it.....green eggs and ham! ;)

**March Outreach** For our March Outreach Project, students are making pictures for police officers to thank them for their service. We would love for our families to be involved in the delivering of the artwork. If your family is interested in delivering art to a police department, please let me know, and I will get some artwork to you.

We hope to have multiple families delivering artwork to different police departments. If you have a personal connection, we would love to tap into that as well. It would be great to see artwork delivered or sent all over the state or possibly the country. We look forward to seeing how this outreach blossoms. Please email if you are interested in helping with this project. Thanks so much!

**BBCP Summer Camp is back for 2018** This June we will be offering three different weeks of summer camp at BBCP for our students and their family and friends. Camps will run Monday through Thursday from 9-12 for children ages 3-5. (We ask that children be 3 by May 1<sup>st</sup> and potty-trained. Students just turning 6 are welcome to come as well.) Miss Sara, Miss Melanie, and Miss Michelle are planning tons of fantastic activities! Students will not want to miss these action-packed weeks of summer camp fun.

Week one of camp will run June 4<sup>th</sup> -7<sup>th</sup>. The theme is Wild, Wild West. During this camp, children will saddle up and head to the BBCP Dude Ranch for a week full of wild west fun.

Week two of camp will run June 11<sup>th</sup>-14<sup>th</sup>. The theme for this week is Mad Scientist Week. During this week, children will grab their goggles and lab coats and enter into a scientific discovery mission. We'll be experimenting and exploring the wacky and wonderful world of science.

Week three of camp will run June 18<sup>th</sup>-21<sup>st</sup>. The theme for the week is I Love the USA! God bless America as we spend the week exploring our home sweet home. Good old-fashioned parades, lemonade stands, and patriotic fun for all.

Please feel free to sign up for as many weeks that fit your schedule. Each week will be filled on a first come, first serve basis. More information and registration forms will be sent home in the coming week.

**Spring Break** This year Spring Break is March 26<sup>th</sup>- 30<sup>th</sup>. We hope you enjoy a relaxing week off with your family and friends.

## Thank You Notes!

- **Thank you** to all who have volunteered to help with drop off service. Please sign up if you can help out. We appreciate you!
- **Thank you** for sending your little ones in appropriate clothing for heading outside to play. As the weather gets warmer, we hope to be going outside for recess more often.
- **Thank you** for partnering with us in the education of your child. As always, please email any time with questions at [bbcpmissmichelle@gmail.com](mailto:bbcpmissmichelle@gmail.com).
