## Wild, Wild West

June 4-7

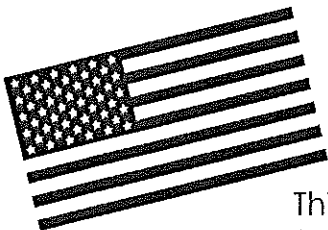

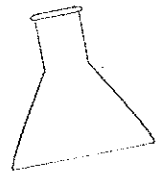

Calling all cowboys and cowgirls! It's time to saddle up and head to BBCP for a week full of wild west fun. Your little buckaroo will be hooting and hollering for more campfire fun by the end of this week. Can we get a "yee-haw?"

## Mad Scientists

June 11-14

Grab your goggles and lab coat; we are on a scientific discovery mission! Let's explore the world of science through everyday objects such as food and nature. Learn the science behind the things we use in our daily lives. There will be some explosions, a few creations and a whole lot of discoveries. This is one mission you don't want to miss!

## I love the USA (Patriotic Camp)

June 18-21

This week is all about the red, white and blue. Picnics, parades, lemonade stands, and more will make this patriotic week filled with all the things a kid loves. God Bless America as we spend this week exploring our home sweet home, enjoying the simple things in life and learning about how Independence Day became America's birthday.
