

## BBCP February Newsletter

**January Reflections** Students spent the month of January staying warm and learning about arctic animals, snow, and winter themes. We also had a fantastic time learning about different cultures during our multicultural day.

January, as well, was a busy registration month for the 2019-2020 school year. We appreciate all the referrals from our BBCP families, and we are excited that we will be seeing so many familiar faces back next year. Yay!

Currently, we have a few p.m. session spots available in our 4s and Pre-K classes. I am starting a waitlist for all other classes as enrollment changes sometimes occur. If you know someone interested in one of our available spots, please send them our way. Thanks so much!

**February Happenings** February is a small month, but boy do we have BIG plans! First off - Friday, February 8th, students will be bringing home information about our second ever BBCP cookbook! I am so excited about this project! I don't know about you, but some of my favorite recipes have come from friends. We are excited to create a cookbook with contributions from our BBCP families and teachers! We plan to include a photo of each child along with his/her family's recipe. Fun class pictures will be sprinkled throughout the book as well. Our vision is that this will not only be a cookbook filled with favorite dishes, but a treasured memory book of your child's year at BBCP. I will have samples of the first cookbook we did available at Miss Moriah's desk for parents to view. Past students have enjoyed trying new recipes and "cooking through" the cookbook. Great memories were made and new foods were tried. I pray the same for this BBCP cookbook Volume II. 😊

Parents, we will need your help with this project! Please be thinking of one of your favorite recipes to share! Information will be coming home on Friday, so please complete the form and return to school as soon as possible. Parent volunteers will be helping to get all the recipes typed and submitted. If you would be interested in helping with the cookbook project, please send me an email at [bbcmissmichelle@gmail.com](mailto:bbcmissmichelle@gmail.com). Thank you!

**February Happenings** Wednesday, February 13<sup>th</sup> will be our Valentine Celebration at BBCP. Students will be making Valentine bags in class and exchanging Valentine cards in their classrooms. (Teachers will send class-specific information home for each class.) PTO volunteers will also be providing a special snack that day. They have planned several special activity stations to do with the children as well. We are looking forward to a lovely, lovely day! If you are interested in helping with the school-wide Valentine party, please sign up through the SignUp Genius link provided in the Friday Reminder.

**February Happenings** Last Monday, students brought home information on our current service project with the Ronald McDonald House Charity entitled, "Pitter Patter Dance Marathon." Each week students are learning about the RMHC as they learn a dance move from an amazing 9 year old boy named Ashton.

Ashton, a regular visitor at the Ronald McDonald House, has a heart for giving back. Besides helping with our preschool dance videos, he has written a book about his journey battling his illness. A copy of his book is available at Miss Moriah's desk for parents to preview. Ashton's book will be available for purchase on Monday, February 25<sup>th</sup> at the Pitter Patter Dance Marathon. Ashton donates 100% of the book proceeds to the RMHC.

Students have little cardboard houses to collect money this month to support the RMHC. Participation in collecting money is optional as always. Please choose the level of involvement that is comfortable for your family. I pray as we journey through this project, that our students will grow, families will be blessed, and together we will make a positive impact on our community.

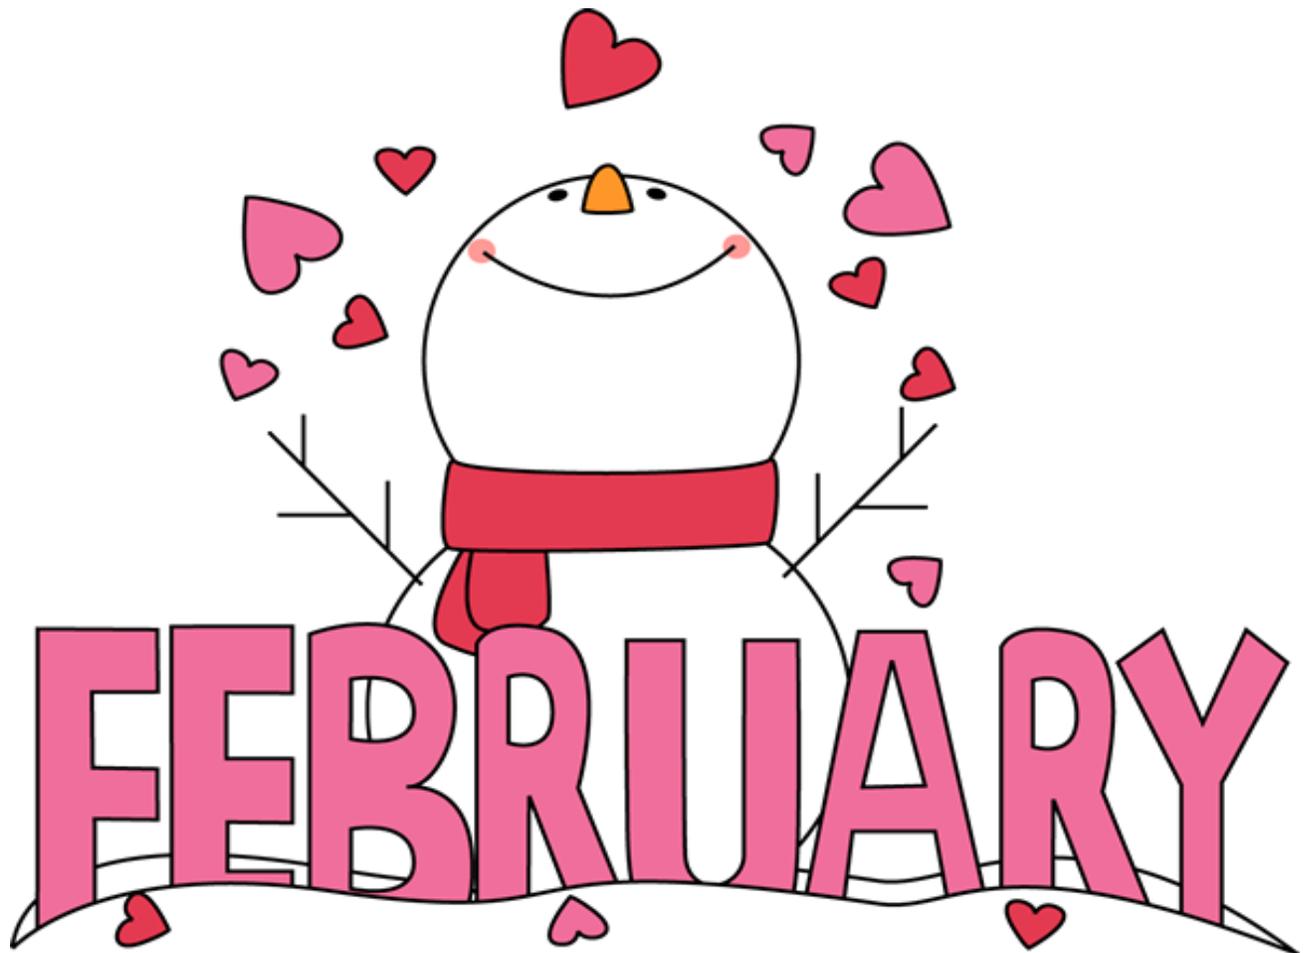

**Looking Ahead!** BBCP's Summer Camp will be back again this year! Mark your calendars for three exciting weeks of camp the first three weeks in June. Each week a different "Adventure Camp" will be offered. You may register for one or all three weeks of camp. Each camp promises to be a fun-filled adventure in learning involving literature, science experiments, art, music and plenty of movement! Our fantastic BBCP teachers will be teaching the

Camps again this year. Please look for registration information to be coming home in a few weeks with camp dates, themes, and prices.

## ♥ Thank You Notes!

- Thank you to all who have volunteered to help with drop off service during these colder months! We have the best volunteers!
- Thank you to all our BBCP families for sharing your amazing children with us each week. We are honored to share in their education with you! As always, please email any time with questions at [bbcmissmichelle@gmail.com](mailto:bbcmissmichelle@gmail.com).
