**Happy New Year!** I hope everyone had a very Merry Christmas and your 2019 is off to a fantastic start! I pray everyone stays safe this month as we navigate whatever winter weather comes our way. Please remember we follow Olentangy school closings. I will send an email and a text through the Remind App to communicate BBCP closings and delays. Please email with questions any time.

As we look ahead to the coming months and plan learning activities, school-wide events, special guests and programs, the fun seems endless. Hold on to your winter hats! An exciting second half to the school year is beginning!

**Welcome back everyone! We've missed you!**

**Multicultural Day** On Friday, January 25<sup>th</sup>, we will be

holding a multicultural day at BBCP. Students will be visiting activity stations and learning about different countries. They will be traveling with passports and getting them stamped in each country they visit. It's a fantastic day of learning at preschool. If you would like to be a guest speaker that day, please see me or send an email. We would love to have parent participation. If you would like to volunteer to help with one of our learning stations, please see me or send an email as well. We love our parent volunteers and appreciate any and all help. We enjoy providing these memorable events for students.

## **It's Time to Think About Next Year!** On

Wednesday, January 9<sup>th</sup>, we will be sending priority enrollment forms and information home with current students for the 2019-2020 school year. If you have a little one returning to BBCCP or a new family member you would like to send to preschool, priority enrollment for current and former BBCCP families begins Wednesday. Please spread the word to former BBCCP families you know looking to enroll. I'm happy to email you extra enrollment forms, or forms can be downloaded from our website. There are so many class options available, so please stop by to chat or email if you have questions about which class would be best for your child. I'm happy to help.

On Wednesday, January 23<sup>rd</sup>, registration will open to the public. I'm currently compiling a list of new families that would like to register on the 23<sup>rd</sup> and fill any remaining openings. If you are planning on registering for next year, I encourage you to return your registration form and first payment prior to January 23<sup>rd</sup> to secure your spot. Please see me if you have any questions about this. We like to offer our current and past families priority enrollment. We appreciate the support of our families and strive each year to continue the excellent program and reputation of Bright Beginnings Christian Preschool. Thank you for your support of our program. It is truly our pleasure to work with you in the education of your precious little ones.

## **January Outreach Project** On Monday, January 28<sup>th</sup>

during gym class, students will be participating in our first ever pitter patter dance marathon! Throughout the month of January, students will be learning different dance moves in gym class as they learn about our local Ronald McDonald House and what they do for families. More information on the pitter patter dance marathon, as well as information from Ronald McDonald House Charities, will be coming home this month. Children will have the

opportunity to collect Change donations for this local Charity. We pray this outreach project will be a blessing to all involved.

## Thank You Notes!

- **Thank you** to all who have volunteered to help with drop off service. We have the best volunteers! We appreciate all the help to keep the service available to parents. Please send me an email if you can help, or sign up on the bulletin board in the hallway. Thanks so much!
- **Thank you** for using extra caution during snowy and icy weather. We do get the driveways plowed and salted, but the back, gravel lot can be very slick when snow and ice melt and refreeze. Please be extra careful during these times.
- **Thank you** for having a complete change of clothes in a Zip-loc bag with your child's name on it kept in his/her backpack or tote. Now is a great time to make sure students have winter clothing.
- **Thank you** for calling or emailing and letting us know when your child is home sick. We do our best to keep germs at bay by encouraging regular handwashing and cleaning classroom tables and toys. We monitor communicable diseases and take precautions to minimize the spread of germs.
- **Thank you** for stopping by and saying hello. As always, please email any time with questions at [bbcmissmichelle@gmail.com](mailto:bbcmissmichelle@gmail.com).

*Happy  
New Year!*
