

BBCP March Newsletter

Dr. Seuss Week Monday we will kick off Dr. Seuss Week at BBCP! Children will enjoy a variety of creative learning activities each day centered around the imaginative works of Dr. Seuss. We will transform the preschool into Seussville filled with many beloved Dr. Seuss characters and of course truffula trees. We hope everyone will enjoy the children's wacky outfits each day, artwork, and festive atmosphere. We will top the week off with a special group reading of *Green Eggs and Ham*. Students will then visited the renowned *Green Eggs and Ham Café* for a lovely meal of..... you guessed it! Green eggs and ham of course!

If you are interested in volunteering as a short order cook or a waitress at the Café please send me an email. The Café is only open for one day, Friday, March 8th. If you are interested in being paid with smiles and giggles please join us for a day of fun! 😊

March Outreach For our March Outreach Project, students will be making cards, pictures, and beautiful artwork to cheer patients at the Ronald McDonald House. After last month's amazing Pitter Patter Dance Marathon, we had an outreach request from one of our BBCP families. They asked if our students could create artwork to cheer a young family member currently receiving medical treatment and staying at a nearby Ronald McDonald House.

We are thrilled to be able to continue showing kindness to those that could use some cheer and encouragement as they recover from illness. Our resident artists have the creative energy to produce large quantities of amazing art work, so please email me if you know of a friend or family member or ANYONE that could use some cheer and would appreciate some encouraging artwork.

We are happy to spread the love, and I am so proud of our students letting their little lights shine to those around them.

BBCP Summer Camp is back for 2019 This June we will be offering three different weeks of summer camp here at BBCP for our students and their families and friends. Camps will run Monday through Thursday from 9-12 for children ages 3-7. (We ask that children be 3 by May 1st and potty-trained.) We are busy planning fantastic activities! Students will not want to miss these action-packed weeks of BBCP summer adventure camps!

Please feel free to sign up for as many weeks that fit your schedule. Each week will be filled on a first come basis. More information and registration forms were sent home with students. Please email with any questions.

Spring Break This year Spring Break is March 25th- 29th. We hope you enjoy a blessed week off with your family and friends.

Thank You Notes!

- Thank you to all our volunteers that help with drop off service. We appreciate you!
- Thank you for all the Kleenex and dixie cup donations. We appreciate your generosity!
- Thank you for partnering with us and helping us provide amazing learning opportunities for our students.
