Liberia is one of the most dangerous places on earth to be born! Help mothers and babies stay alive by giving towards The Birth Support Network.

It can be hard to decide where you want to make a difference. When you choose “Where Needed Most” your gift will always meet the most urgent needs.

You give, they grow!

Every day, you make a life-changing difference for Liberian children in need like Rachel. She came to feeding site #1 in February close to death. Malnourished, with severe malaria--she had a whole world of pain in her eyes.

Now, she's almost unrecognizable. No longer scared, sad, or hungry. She's healthy and filled with hope. Because of you, she can sleep soundly tonight. In the morning, she will have food, medicine, the love of Jesus, and a chance to grow into a self-reliant adult.

On behalf of Rachel and all the children in our care, thank you so much for your love.
