

BOB LENZ

International Speaker Author

**Heart.
Humor.
Hope.**

Book one of the nation's top youth speakers for your next event and *bring a life changing message to your community.*

Author and international speaker, Bob Lenz, has an intense passion to share the love of Christ, reaching nearly half a million people with the gospel each year through community outreaches, festivals, church events and conferences. In addition, Bob is considered among the best school assembly speakers in the nation, presenting value-based messages on anti-bullying and suicide prevention.

It's Bob's down-to-earth style and genuine concern that help ignite young people's faith, connecting with their hearts and minds, and sharing experiences that help them deal with real life while challenging them to make a difference in their world.

Bob is also among the top speaker representatives for Compassion International, a child advocacy organization that releases children from poverty in Jesus' name globally, and he has toured with the Grammy-nominated musical group, the Newsboys, twice to present an evangelistic message and promote Compassion. He is a sought-after keynote speaker for various festivals, including Creation, Premier, Spirit West Coast, Atlanta Fest, Kingdom Bound, Sonshine, Rock the Desert and several others.

Bob has authored the book, *Grace - For Those Who Think They Don't Measure Up*, and *This is Life - Real Stories from the Road*. He has also served as the Director of a non-profit counseling center, hosted a radio program, and founded the Christian festival, Lifest, bringing upwards of 20,000 teens and adults together for a time of music and teaching.

In addition to speaking, Bob is Founder and President of Life Promotions, a non-profit youth organization with a mission to instill hope in youth. Since 1982 Bob has spoken in all 50 states and has traveled the world. He is married to his wife, Carol, and together they have five children and several grandchildren.

“ If you hadn't talked to me, who knows if I would even still be here. Thanks for reminding me that even if no one cares about me, God does. Thank you for reminding me of something I had long since forgotten.” - Student

“You sincerely care about people. It shows and it reaches youth. I know it reached mine.” - Youth Pastor

“That night changed my life. You made me want to be a different and better person. I went in there thinking is there even a God? I left there a new Christian.” - Student

“There are few Christian communicators who even come close to Bob Lenz in making the Gospel message relevant to young people in today's world.” - Tony Campolo, Eastern University

“Thanks to your talk, I can really focus more on letting Jesus into my heart and not just focus on learning everything in my head.” - Student

“The most devastating thing I have ever seen is that 60% of all youth at some point consider death more appealing than life. I don't want to see young people cheated out of life.”
