

THE BETHEL MISSION TEAM

Would like you to know...

Join Bethel's Missions Team on February 24th as we sew personal care items for young women in impoverished countries. These will be quick to sew items. There will be crockpot soups for lunch. Come join the fun and fellowship as we sew. Our stitches become blessings and gifts for others. Call Pam Monti if you need help with your machine. We will have a couple of extra machines. Fabric will be provided.

See you there!
