"Whenever His people gather and worship Him, God promises He will make His presence known in their midst. On the other hand, where God's people consistently neglect true spiritual worship, His manifest presence is rarely experienced." *Ralph Mahoney*

Reaching our World

Missionary Family Packs

Want to be more connected to our missionaries, God's work in other areas of this country and around the world, and see your Faith Promise dollars at work, but aren't sure where to start? How about focusing on just one family? Packets are being put together, each containing information on one of the missionary families that Bethlehem supports as well as ways to encourage them and keep updated on them and their ministry. This is a great way to inspire your family, Sunday school class, home group, youth group, Pioneer Girls/Boys Brigade, home school group, or other group to get to know the missionaries more personally and find out what God is doing for and through them. Please contact Becky Stotler for more information: (973)398-6189, stotjj@juno.com. Packets will be available to choose from after the missions conference service on April 10th, but let Becky know ahead

placed between now and April 30. Order forms can be picked up at the Welcome Center. Payment must be included with your order which should be placed in the yellow "Flower Order Box" or dropped off in the office during the week.

As the world begins to understand the enormity of the March 11 earthquake, tsunami and resulting devastation, the country of Japan, Evangelical Free churches in Japan, and ReachGlobal personnel there are reeling. The EFCA received communication from staff in Japan, and it has been confirmed that all ReachGlobal personnel are safe. Thank you for your prayers!

In recent years, EFCA churches responded to crises such as the Asian tsunami, Hurricane Katrina and the Haiti earthquake with great generosity. Through EFCA TouchGlobal Crisis Response, we again have an opportunity to respond.

The EFCA has relationship with two Evangelical Free Churches and a church plant in Sendai—one of the hardest hit regions. Through pre-existing ministry contacts, funds will be channeled to respond directly to those who have no other means to recoup all they have lost.

Relief teams are not being sent during this initial stage of response.

Prayer and donations are the immediate and priority need. Please give. Having learned from Hurricane Katrina and the Haiti earthquake, crises present the opportunity to extend the love of Christ in compassionate and tangible ways. You may be certain gifts will be used wisely and with the greatest accountability.

Funds designated for Earthquake relief efforts can be sent to the EFCA national office or you may [give a gift online](#).
