## 2018-2019 ATHLETIC CONTRACT

### Philosophy

We feel athletic competition can help one learn how to glorify God effectively in all areas of life. Every athlete does well when he knows what to do. This idea applies to representing Jesus in athletics as well as carrying out athletic assignments. The Bible tells us everything we need to do to represent Jesus in all aspects of life. The Bible is filled with principles that can be applied directly to athletics. Coaches and athletes have a responsibility to do their best in representing Jesus by preparing mentally & spiritually for what calls them to do.

### Sport Level Philosophy

**“A” Team:** While individual and team skills continue to be developed, participation at this level is more competitive. Team success & winning are more of a goal at this level. Coaches may exceed more than three (3) practices and games in a week to meet the competitive needs of the team. Student-athletes must be willing to discover and accept their role on the team, which may include unequal playing time. Playing time will be based on the athlete’s attitude, practice presence, and skill levels. Absence from games, practices, and arriving late or leaving early may result in loss of playing time. As a need arises, students at the “B” level may be asked to participate at the “A” level. This is done only under agreement with the parent(s), coach and athletic director. League rules generally do not allow 8<sup>th</sup> graders to participate below the “A” level.

**“B” Team:** This level of participation is again developmental, with greater attention given to technique and team skills. Team success is more of a priority but not the main emphasis. Student-athletes must be willing to discover and accept their role on the team, which may include unequal playing time. Coaches are encouraged to involve all players. However, playing time will be based on the athlete’s attitude, practice presence, and skill levels. Absence from games, practices, and arriving late or leaving early may result in loss of playing time. As a need arises, students at the “B” level may be asked to participate at the “A” level. This is done only under agreement with the parent(s), coach and athletic director.

**“C” Team (Saturday Morning Basketball):** This level exist primarily for the development of fundamental skills and basic understanding of the rules. Team success is not overemphasized, but rather the focus is on the development of the team and individual skills. Scores are reset at each quarter to deter too much focus on winning at this level. Coaches are encouraged to involve all team members and provide relatively equal playing time.

## **Objectives of Participation**

To Glorify God with our talents & express thankfulness for our God-given gifts.

To practice Christian love among students, parents and coaches.

To provide Christian discipline when a problem arises.

To develop character traits such as responsibility, leadership, sportsmanship, teamwork and self-control.

To stimulate school spirit and pride without compromising respect towards others.

To prepare our students for advanced levels of athletic participation by developing fundamental skills and knowledge of the rules.

## **Volunteer Requirements**

Each Family must sign up for the required slots per the volunteer policy or pay required participation fee before any student-athlete can compete in a game for that season.

## **Team and Individual Discipline**

Each coach will have discipline rules for minor infractions, such as inattention to direction, horseplay, tardiness to practices, etc.

## **Athletic Contest**

### **Spectator Decorum**

Athletic contest are full of emotions, excitement, and competition. We are here to support, encourage, and praise the athletes. We ask that everyone set a positive example by controlling their emotions in dealing with the referees, players, fans, etc. Players, coaches and referees will all make mistakes because we live in an imperfect world. Expressing negative or complaining comments only detracts from allowing the children to enjoy their experiences. Please focus on giving positive vocal support to players, referees, coaches, and other fans. We ask that everyone relate respectfully our Christian love with one another regardless of the outcome of an athletic contest.
