Hello 5th grade families!

For our Field day, the following student families will be driving and will have to report by 9:30 a.m.: Adalie, Penelope, Cameron. Thank you for volunteering to drive for the trip!

I still have 3 student permission slips out. Please have them filled out with payment given A.S.A.P.

Parents: The rollercoaster at Kokomo's will be running. Please let us know if you would NOT like your student to ride the coaster. Students will have to be checked out by a teacher and parent/valid caregiver, if a student is to be transported home after 1PM.

We had many positive MAP scores from each student in 5th grade!!! Congratulations!!!

In addition, please return the white re-enrollment slip as soon as tomorrow for your child to earn a cold treat later in the week.

Our May offering going toward the Valley Lutheran Scholarship Fund. This offering is a wonderful way we can demonstrate thanks to God for the opportunity to help Valley Lutheran H.S.
