Bethlehem Lutheran

June 4-7, 2018

sbrandt@bethlehemsaginaw.org

Tuesday: All library books are to be returned. Any fees owed to the school are to be paid.

Field trip with Mr. Sharman to "The Farm."

Parent sign, and return the slip stating that you received the Summer Packets in the manila envelope and/or the instructions on how to access Khan Academy.

Wednesday: Bring a bag to bring home gym shoes and contents of your desk.

Be ready to present your report on a famous person from the Bible. Practice what you will say.

Be ready to present your puppet show. If your puppet or script is not complete, finish it at home!

Kindergarten and Eighth Grade graduation at 6:00 pm.

Thursday: Closing Service in thanks to God for a good school year. Awards will be given for perfect school or perfect church attendance, as will a few others. Adults, please join us for worship! Report cards will be received. You will also receive a cursive handwriting portfolio. A sample of writing was saved at the end of each quarter. Cursive has really improved. So keep using it so you don't forget how to write in this way! School is dismissed around 9:15 or 9:30.

All Sundays: Worship our great and powerful and loving God! Serve Him!

June 25-28: Vacation Bible School and special "camps" such as soccer, crafts, STEM, etc. Invite a friend or cousin to join you!

Dear Parents and Students,

Thank you to our field trip drivers last Friday and this coming Tuesday. We are grateful for all of our drivers this year, the PTL volunteers, the room

mothers, and all the team work that is involved in having a great class of students. It has been a great year!

While checking out books this summer at the public library please join the Summer Reading Club! Activities prizes and fun with other kids will be had by all. Plus you'll keep up your reading skills that you learned this school year. Check out the authors Andrew Clements, Johanna Hurwitz, Beverly Cleary, Avi, Arnold Sobel, and Gertrude Warner. I have sent home a flyer that has a calendar of special events. Registration begins June 11.

Please spend time with Khan Academy on line this summer and/or the Summer Packets for Reading and Math. Khan Academy has short videos and then questions in math and grammar. It keeps track of your progress, lets you choose other levels, and lets me, the administrator know how you are doing. Time spent productively on math and grammar on Khan Academy, or completed Summer Packets (which are being sent home today,) will result in an ice cream party in early September! It also helps you feel confident going into 5th grade next fall. That is way we are organizing this! Complete, sign and return the paper that states the parent has received this information.

If you'd like to learn of your student's success on the MAP testing, lets set up a meeting or a phone call conference!

It has been a good year! Thank you for the support you have given Mr. Sharman and me this year. I continue to thank God for each student and family and ask the Lord's blessing on each of you. I hope you'll be able to continue your worship and learning of our great God through the summer.

In Christ,
