

Bethlehem Kindergarten News
February 27, 2018

I heard good reports about yesterday's field trip with Mrs. Duclos and Mr. Rosien! Yay! I'm sorry I missed it ☺.

Hearts for Jesus boxes are due back this Wednesday for our special chapel offering! Hopefully everyone has been filling them all month! We talked a lot about being a "cheerful giver" last week, as we learned about the Widow's Mite during our Jesus Time lessons.

Our math continues to cover addition and subtraction. We are working with numbers 11-19 now. Everyone is doing well, ***when they take their time!*** We have several friends who are more interested in playing in centers, than doing a good job on their math papers, lately. You will see their assignments coming home to be redone. Please discuss with them the importance of a good work ethic, even in Kindergarten. I have already addressed this, but reinforcement is always appreciated. We are practicing for first grade, and our work needs to come first!

We are still working with the Letter Ll this week. We will also review color words, nouns, and verbs. A few friends are still working on writing their first and last names from memory, so we continue with that, also. We had some interesting conversations about our presidents last week, and this week we take a look at our American Monuments and how they came to be.

Bethlehem is gearing up to celebrate Lutheran School's Week! Please keep your eyes open for the list of Special Dress-Up Days for next week, and don't forget about the Fun Fair on Friday, March 9th from 5:30-8pm! We are so blessed to have our Lutheran Schools, and it will be fun to celebrate together!
