June 4, 2018

This is our last parent note of the year. ☺ The **DATES TO REMEMBER** for this week are listed below. Thanks for checking backpacks and responding quickly to requests and such. I have enjoyed this class and their families so much, and a lot of it has to do with your willingness to help and support what we are doing in the classroom! It shows in all of the successes we have had this year. Way to go!!! You have all been such a blessing.

Speaking of blessings, I had the best birthday thanks to my Kinder Friends, their families, and our awesome Room Mom!! Thanks so much for all of the great gifts. Your kindness and generosity is SO appreciated!!

We have been having such a great time at all of our extra-curricular activities! Thank you so much for all of the help. We could never do it without you!!

Doors open for graduation at 5:30pm on Wednesday. Please bring your child to the Kindergarten room first, and then go to the gym to secure your seats!

Zippi-dee-doo-dah! We've made it through the whole alphabet! Everyone is receiving a Summer Workbook to record your summer activities. Students who bring these back to me at the start of the next school year will receive a special treat! Please work on them whenever you have the chance, so we can keep them ready for First Grade!

MAP scores are enclosed in today's envelope. Please see me or contact me with any questions. Everyone did SO WELL!!! ☺

If your child still has a library book out, please send it back ASAP.
