MOPS & MOMSnext

Bethlehem hosts a chapter of MOPS (pregnant moms through moms of kindergartners) and MOMSnext (moms of kindergartners through 5th grade). We meet on the 2nd and 4th Mondays of each month during the school year from 6-8 p.m.

Both groups are open to all mothers, you do not need to be a member of Bethlehem to attend. So invite a friend! Dinner is provided for moms. Childcare is available for children during meetings (RSVP required). Meetings include a speaker, creative activity, or MOPS International curriculum, and lots of "discussion time"! Bethlehem MOPS/MOMSnext members also get together socially for special events outside of our meetings. (Moms only, couples, and family events)

If interested in attending, contact Sarah Laux at bethlehemmops@yahoo.com or 239-2497. Check out mops.org too.

Park in the Hermansau Street parking lot and take the elevator or stairs to the lower level.

Resource Center

The Resource Center, located in the room just off the ramp that leads from the Church Narthex to the school building, offers to the congregation Bible reference books, Christian novels, biographies of famous Christians, and children religious books. Come and check one out! For more information, [check out this page.](#)

It was established in 1948 to champion weight-loss support and success. Bethlehem hosts a TOPS chapter.

Tutoring

If you can spare one hour of your time per week to help a child succeed during the school year, please consider being a tutor. You DO NOT need a background in education. The teachers give very detailed directions and will answer any questions you may have. All you need is a desire to spend time with and help a child. Call the school office for more information: 989-755-1144 ext. 213.
