

Salvation

Every person, no matter how “good” they look in other people’s eyes, has done wrong. And “wrongs” do cause hurt and harm to others. Because Christ took the divine punishment for the wrongs of all of humanity, God offers full forgiveness in Christ’s name. Because Christ rose again from the dead, God also offers a new and better life for us now and eternal life with Him in heaven. This salvation – forgiveness, new life, eternal life – is ours through simple faith.

Faith is

1. Knowing our need for the salvation that Christ earned for us,
2. Accepting as true both our need for salvation and that Christ has earned salvation for us, and
3. Trusting that full salvation is ours because of God’s undeserved and unconditional love towards us.
