Marble Party!

Our second and third grade students have earned a party through receiving marbles for good behavior in the classroom this quarter. This party will be on Wednesday, June 6th in the afternoon. Students will be watching a movie and they have also earned several treats to go along with the movie. Students may bring a stuffed animal, blanket, or pillow so they can be comfortable while watching the movie. Good job, students!

Thank You Parents!

I just wanted to say a big thank you to you, the parents of these amazing second and third grade students. Thank you for entrusting me with the care and education of your child and allowing me to watch them grow throughout this year. I have greatly enjoyed getting to know your child on a personal level, laughing with them, and watching their knowledge and personality develop throughout the year. This being just my third year teaching, I am extremely blessed to have had a classroom full of energetic and respectful students. This second and third grade class, along with parents who are eager to offer support and encouragement, have made this an amazing year for me. I pray that you and your families have a relaxing and enjoyable summer. Thank you again!

SVSU Field Trip

On Monday, June 4th our second and third graders will be going to SVSU for a motor development morning. Make sure students are sent to school in clothes that they can work out in along with a water bottle. Thank you to these families for driving:

- Gonzales family
- Laux family
- Duclos family

Drivers should arrive to school around 8:00 so that we can get organized and ready to leave at 8:10. Thank you!

Thursday Closing Service

On Thursday, June 7th, students will end the school year with a closing church service in the church. This means that students will be dismissed following closing service. Feel free to come to the service and worship with the students. Students need to be picked up around 9:30 on Thursday, immediately after the closing service.
