

Bethlehem Lutheran Church

*Call the Church Office for more information:
(989) 755-1144 ext. 101

Altar Guild

Volunteers help, on a monthly basis, in setting up for Holy Communion and Baptisms, which are held in the Church, as well as cleaning and maintaining the Chancel Area of the Church. *

Acolytes

The Acolyte Program takes students from both the public schools as well as from Bethlehem Elementary School. They serve as acolytes (candle lighters) for the regular Church Worship Services as well as for the special Worship Services during the school year. *

Boar's Head Christmas Festival

Many volunteers are needed to put on this Festival, which takes place at the beginning of December. In addition to the cast, there are those who help with parking, ushering, greeting, the lighting, the costumes, the props, the directing, the music, the publicity, and the casting. Begun in 1984, The Boar's Head Christmas Festival has been Bethlehem's Christmas gift to the Greater Saginaw Community. Click on the link to learn more of the Boar's Head Festival. *

Senior Choir

Senior choir practices every Thursday evening during the School Year and sings in the Church Services about four times a month. They also sing in the Boar's Head Festival. *

Church Mice

The Church Pews and the Hymnal racks can get pretty messy and disorganized after several Sundays. The Church Mice clean, pick-up, and reorganize the pews and the hymnal racks so that Bethlehem can offer to both members and visitors a clean and presentable worship environment. *

Contemporary Worship Team

Bethlehem's Contemporary Worship Team has provided the contemporary sound and has led the songs of Bethlehem's Contemporary Worship since 2005. If you can play the keyboard, an instrument, a guitar, or sing, this team desires to team-up with you! *

Greeters

Volunteers greet both members and visitors as they arrive for worship. *

Lay Readers

Trained volunteers who assist the Pastors by reading the Old Testament and Epistle Lessons during the Sunday and Monday worship Services. *

Ushering

Volunteers help with the distribution of service folders, the collection during the Service, ushering people to Communion, and tidying up after the Service. *

Video Recording of the Services & Deliveries

Several, trained volunteers record the Sunday Services for shut-ins and for several Nursing Homes. Volunteers are needed to deliver the DVD's and audio tapes. *

Visitor Center Greeter

Here is where we answer questions and provide written answers to questions visitors may have. *
