## From the Associational Mission Strategist

After months of sickness and cold weather, spring has finally arrived! As my mind turns to planting seeds and planning trips, I'm reminded how, if I'm not careful, I can easily squander some of the most beneficial months of the year. Here are a few ways you can harness the spring and summer months for the kingdom of God:

- Plan a VBS that focuses more on the unchurched than regular church attenders.
- Take VBS on the road and host a Backyard Bible Club in a local park or neighborhood.
- Instead of taking a vacation FROM church, take a vacation to BE the church on mission. (Join us on the Vermont mission trip, August 10-17!)
- Avoid worrying about how your house looks to guests; host a cookout and invite your lost friends.
- Don't obsess over sports; use sports (whether as coach or spectator) as a platform to build relationships and share the gospel.
- Take advantage of numerous summer camp opportunities to serve and/or lead young people in following Jesus.
- Use the longer daylight hours to spend more discipling time with your family.

Wherever you go in the coming months, remember, you don't have to do expensive things to do something that's out of this world. Let's harness warm weather to warm the hearts of those who need to know Jesus, as we seek to lead them to faith in Him!

With hands to the plow,

Troy

## who's your 1ONE?

Imagine if every believer could answer that question with the name of a person who is far from God—a person for whom they're praying and with whom seeking to share the gospel. That's the intention behind *Who's Your One*. We believe God's people don't merely need another method for evangelism—what they need is a white-hot passion to see people who are far from God experience the new life He offers through Jesus Christ.

Over the coming days, our church and countless others will prioritize personal ownership of the Great Commission as we each intentionally pursue one person with the hope of the gospel. At times, it seems the mission is simply too complex and too vast for churches like ours and people like us. While we can't do everything, we can do something. We can all take responsibility for *one*. And, because of God's power and the work of His Spirit, each of our *ones* can add up to make a significant impact for God's kingdom.

Please be in prayer for the congregations of
