2019 ENROLLMENT AGREEMENT CONSENT AND AUTHORIZATION

The **Big Island Junior Golf Association** (BIJGA) was founded in 2002 with its primary goal as promoting life skills through the game of golf. To achieve its goals, the **BIJGA** has developed a program to provide children of different age and skill levels opportunities to play golf. Participants develop fundamental golfing skills at the various clinics organized by the **BIJGA** as well as learn about themselves. Participants not only discover their physical and emotional peaks, but also learn about their physical and emotional limits. When they decide to play in golf tournaments organized by the **BIJGA**, participants learn to make decisions in an environment of competition – best of all, while they are learning they are having fun.

For the serious members, the **Big Island Jr Golf Association** can also help participants understand the sometimes confusing and complicated procedures required to compete in Statewide and even National Junior Golf Tournaments.

- Tournaments are planned for this season at various golf courses on the Big Island for the **BIJGA** members' ages 6 & under, 7-8, 9-10, 11-12, 13-14 and 15-18.
- Membership eligibility shall end on:
 1. August 31st following his/her 18th birthday; or
 2. When he/she starts a post high school or post-secondary level educational or vocational training program; or
 3. When he/she is no longer enrolled in a high school or secondary level educational or vocational training program and is employed; or
 4. Subject to Board approval.
- Club Plays will be scheduled throughout the year/season and will be open to all age groups whenever possible.
- Support is needed in many areas, so please expect to be called upon to assist the various committees assigned to ensure that your child's golfing experience is not only challenging but also fun!
