► The details

“Preparation for Baptism will be made available to parents as they request it, preferably after the first trimester and before the birth of their child. We ask that all first time parents or parents who are having their first child baptized at Blessed John, call the parish office to sign up for a “New Parent” Retreat. These retreats are held quarterly. The parish hope is that these retreats will network new families with other families with similar age children to facilitate strong bonds within the parish community.

A home visitation can take place for all families with siblings at which the basic symbols of Baptism will be explained to the entire household. The parent(s) will then be introduced to the many ways their family can be engaged with the community at Blessed John.

Registration

Please fill out this form and return to the Parish Office.
