

Challenge Course Weekend – October 12 -14

Ever wanted to try the Disciple Oaks challenge course but didn't have a group to attend with? This course is designed so that now you can attend individually as part of an open enrollment group. This weekend course is a high adventure outdoor program working with other adults as a team to work through interesting and unique challenges. It is fun, it is challenging, and it is rewarding. We promise that when your friends ask 'what did you do for your weekend?' you won't have to say 'not much'. The course fee covers use of the course facility, dorm-style lodging, and meals. The course requires arrival at 6PM on Friday and the ability to stay until 4PM on Sunday.

Follow this link for more information, links to the camp website, a profile on the challenge course program, and registration. The Challenge Course Weekend fee is \$150.
