

Facilitator Training Weekend – October 26 -28

Training

Facilitator training is scheduled for October 26 – 28. **Attending the Come & Take It! challenge course weekend on October 12 – 14 (see above) is a prerequisite for this training weekend.** During this weekend, you will build on your experience in the first weekend and learn the equipment, safety procedures, and technical aspects used in a challenge course. You will also learn history, tips, techniques, and approaches to the art of facilitation.

Role of the facilitator

Challenge Course facilitation is a skill that must be learned and practiced. Everyone with a passion for service to others are welcome to this training. The director of the current team has many years of experience and thousands of contact hours on challenge courses. The facilitator team is responsible for:

- Full Weekend Challenge Courses – The facilitator team works with each group as they spend a weekend solving the challenges of the course. The facilitators guide the group as they develop and enhance their skills in leadership, communication, trust, problem solving and confidence.
- Single Element Events for Summer Campers – Set up and guide campers through one high course element as part of their camp week.
- Continued Training and Maintenance – The team gathers several times a year for course mowing, element maintenance, training, camping and fun

Follow this link for more information, links to the camp website, a profile on the challenge course program, and registration. The training weekend fee is \$150.
